LEGAL ISSUE LOG
Session 3

Table: Legal

Issue	Referred to	Resolution
Are internet sales of vaccine to be restricted by state or federal authorities?	legal fed state local canadian	Under MCL 333.16241 the AG, at request of MDCH could seek ex parte injunction against owner of web-site or the internet service provider to prevent the unlawful practice of medicine or pharmacy. We would work with the FDA since most websites outside of State.
Can PH override family's request to return infected body to them? What recourse does PH or law enforcement have to compel funeral homes to take the bodies?	legal fed state local canadian	MCL 750.160c(1) only requires funeral director to provide service upon agreement. Rule 325.1141 provides that small pox victim's body cannot be transported unless embalmed + disinfected
Does funeral Home have to take body of small pox victim. Must Medical Examiner release body of small pox victim to family for religious burial?	legal fed state local canadian	Gov, through Exec Order, can compel State officials or Nat'l Guard to take charge + dispense of body. As to religious funeral release, MCL 333.2653(3) the Gov can suspend the provision
What is Title 42?	legal fed state local canadian	To Feds
Does MDCH have authority to incinerate the bodies	legal fed state local canadian	If there is a medical reason, Gov has authority to order. - State + county resources pooled — animal control - private establishments
