Information provided is accurate to the best of our knowledge and is subject to change on a regular basis. Although CGI has made a concerted effort to provide useful and accurate information, we do not warrant the information to be authoritative, complete, factual, or timely. Information is provided on an "as is" and an "as available" basis. The State of Michigan assumes no liability for any damage the opportunity to incorporate authorized boundary changes into our map information when resolved. incurred as a consequence, directly or indirectly, resulting from the use and application of any of the contents of this map.

Please feel free to contact CGI with questions regarding the boundary mapping process. However, it should be noted that the information provided by the local authorities in determining school district boundaries, if you believe that there may be an error in a boundary, please contact the affected school districts and ISD(s) for clarification and possible resolution. CGI will welcome
