# List of Michigan Municipalities Participating in the Auto Insurance Fire Loss Program

(Section 3010 of the Michigan Insurance Code)

Public Act 413 of 2000 added Section 3010 to the Michigan Insurance Code (MCL 500.3010; MSA 24.13010) to create the Auto Insurance Fire Loss Program. The program provides that an automobile insurer shall require its insureds to complete and submit a report, on a form prescribed by the state fire marshal, prior to the payment of a claim of $2,000 or more, for a fire or explosion loss to an insured motor vehicle that may not have been accidental and that occurred within a municipality that is a participant in this program. This program will only be in effect in those municipalities that meet the criteria of either Section 3010(8)(a) or 3010(8)(b) of the Michigan Insurance Code, and who have submitted appropriate notification to the Director.

Section 3010(8)(a) of the Insurance Code establishes a list of municipalities located in counties with a population of 425,000 or more. Section 3010(8)(b) establishes a list of municipalities with a population of 50,000 or more located in counties with a population of less than 425,000. The attached list specifies the section of the Insurance Code under which each municipality is participating, and replaces any previous editions. The list will contain an effective date of participation and this program will not apply to any loss that occurred in a municipality that is not enrolled in the program at the time of the loss or to any loss that is accidental in nature. Because the information contained in the list changes, it is important to always use the most current edition.

If you have questions about this list, please contact the Department of Insurance and Financial Services toll free at 877-999-6442. Participating municipalities may make changes to the list by sending changes in writing to: Department of Insurance and Financial Services, Consumer Services Division, P.O. Box 30220, Lansing, MI 48909-7720.

If you are interested in obtaining a copy of the state fire marshal's report form that must be completed when an auto fire loss occurs that meets the parameters of this program, you may contact Rhonda Howard at the State Fire Marshal's office at 517-241-0691.
