TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your takeback program? mediontakeback.aerccr.com

8b. If provided, what telephone number do you provide to consumers for information on your takeback program? n/a

TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.
Consumers in Michigan are able to return their used Medion covered electronic devices for recycling through the above website free of charge. The program covers Medion manufactured desktop and notebook computers and computer monitors. Medion has partnered with a leading US recycler to offer this program.
Consumers can learn more about the program at Medion's recycling pages. Consumers in Michigan can access the website and enter information about their location and equipment. Based on this information, a shipping label is generated, which they can use to ship their used Medion product to the chosen recycling partner free of charge. Consumers merely pack the product and ship it using the free shipping label.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?
Medion's offering provides a FREE recycling solution for any covered Medion products. The offering can be accessed at the website mentioned above. Medion will arrange for free shipping of any Medion covered device via mail-carrier to the chosen recycler. Consumers just have to pack the product and ship it using the free shipping label as described above in the program details (9). This information is communicated via Medion's website.

11. How do you provide information to consumers on how and where to return covered electronic devices?
Consumers can find out specifically how and where to return computer equipment at mediontakeback.aerccr.com.

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:

0 Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:
n/a
