Be Prepared for Your Flu Vaccine Appointment

Please follow these steps for receiving your flu vaccination:

1. Wear clothing that makes your upper arm readily accessible (about 3-inches down from the shoulder).

2. **Bring a *Photo Copy*** of the front side of your State health insurance card (**NOT** your vision health card) to the clinic to receive a vaccination. If you do not have proof of State health insurance, be prepared to pay $34.00 by check to Michigan Community Wellness VNA-Flu Program for the flu vaccination.

3. **Bring a completed and signed Consent Form.**

4. If you are receiving the flu vaccine for the first time, you will be asked to wait 15 minutes so the nurse may watch for any possible reaction.
