ATTACHMENT TO FY 2016 RURAL TASK FORCE OBLIGATION REPORT

Fiscal Year 2016, Period Ending February 9, 2016

The FY 2016 Local Obligation Report, sorted by obligation date, is attached. A separate report, sorted by County, is also posted.

The report is a draft and will be refined as part of ongoing meetings with representatives of the County Road Association (CRA), MDOT Local Agency Program (LAP), and MDOT Finance.

The obligated federal amount includes any “Advance Construct” portion which inflates the actual obligated federal funding amount. Projects with “Advance Construct” conversion in the current FY are shown as separate line items.

Projects funded with templates that are 100% state funding (TED-A, TED-F), and other templates that have separate obligation authority (Demo, Discretionary, Emergency Relief, Federal Lands, etc) are not included in the reports, in an effort to show only the projects that were obligated as part of the local obligation authority.

Statewide Local Obligation Report thru 02/09/2016 (by Obligation Date)
