Attached you will find the most recent Child Welfare Management Tool for July 2013. Please note:

1. Foster care worker-child visit performance is only provided for the first month contacts because there is not a report currently available to monitor the additional visit requirements for subsequent month / change of placement events.

2. On the attached report, 0% indicates cases were eligible for an activity but compliance was 0%; blank fields or N/A indicates no cases were eligible for the activity during the report period.

3. This is a new report format that provides aggregate data for: June 2013 (May and June 2013 for Health Reports), "Last Quarter" (March 2013 – May 2013), and "Last Year (June 2012 – June 2013). Additionally, there is a "sparkline" which shows the performance trend from last year to the current month (June 2013).

4. Performance on strategic plan outcomes are provided by county and a roll up on all outcomes is provided by BSC.

5. Please note: Data for this report was pulled the first week in July. Any clean-up activities or additional data entry completed between the date the data was pulled and the day of this report issuance will not be reflected until the next report.

6. The purpose of providing quarterly and yearly data is to reflect performance from the significant data clean-up efforts currently under way.

CHILD WELFARE MANAGEMENT TOOL

HOW TO READ THIS REPORT

The Child Welfare Management Tool is a high-level, condensed format report combining 14 reports currently available on InfoView for the purpose of providing a snapshot of county performance on four Strategic Plan Outcomes. This report does not supplant the InfoView reports; rather, it provides an at a glance look at county performance in a handful of key performance areas. For monthly statistics or case level detail, please refer to the individual reports located on InfoView.
