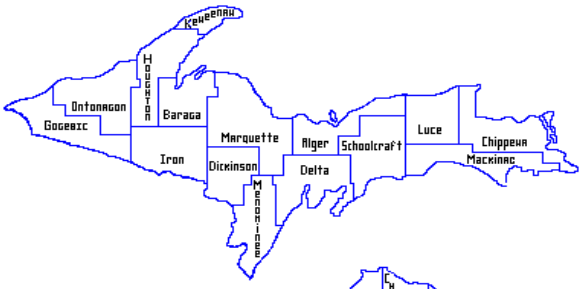
2008

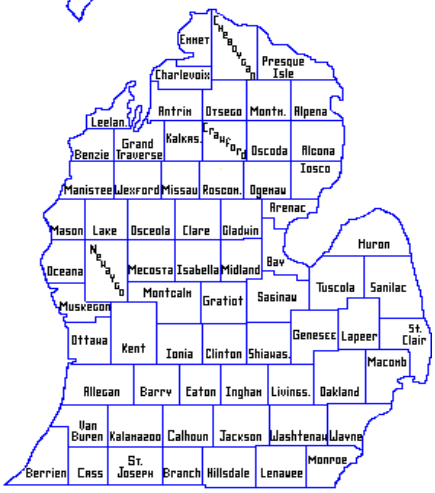
Michigan Annual

Drunk Driving Audit

Assembled and Distributed by
Michigan Department of State Police
Criminal Justice Information Center

July 1, 2009





The 2008 Michigan Annual Drunk Driving Audit provides detailed information concerning traffic fatalities and injuries as well as arrest activities that are part of ongoing efforts to reduce drunk driving in our state. Although Michigan's population has declined, alcohol and/or drug related fatal crashes remain a significant traffic safety issue, with approximately 39 percent of the total fatal crashes involving alcohol and/or drugs.

The 2008 Michigan Drunk Driving Audit shows declines across the state in alcohol-related crashes, injury crashes, injuries, and overall arrests, but notes increases in crashes and deaths involving drugs. Overall, fatalities resulting from alcohol and/or drug-related crashes decreased slightly from 381 in 2007 to 379 in 2008, while the number of fatal crashes declined to 915 from 987, a 7% reduction.

In 2008, 47,251 alcohol and drug-related driving arrests were made, a drop of more than 2,600 from 2007. More than three times as many men as women were arrested for impaired driving offenses, with 35,508 men arrested compared to 11,743 women.

Of those arrests, 45,162 resulted in operating under the influence of liquor or impaired driving convictions. Some of these convictions may include arrests made in prior years.

The Michigan Annual Drunk Driving Audit was compiled with information and data provided by the Michigan Department of State Police, the Michigan Department of State, and the Michigan Department of Transportation. We appreciate the teamwork, assistance and dedication of each of these departments in helping to make Michigan's roads safe. We look forward to our continued partnership.

Questions regarding Section I (Traffic Crash and Arrest Data) should be directed to the Michigan Department of State Police, Criminal Justice Information Center, Traffic Crash Reporting Unit at (517) 322-1150. Questions regarding Section II (Conviction Disposition Data) should be directed to the Michigan Department of State at (517) 322-1598.

As you review this report, please feel free to contact the Traffic Crash Reporting Unit at (517) 322-1150 with your suggestions and ideas.

Col. Peter C. Munoz, Director
Michigan Department of State Police

AUTHORITY

This report is produced by the Michigan Department of State Police in compliance with the Michigan Vehicle Code (MCL 257.625) which requires the department to compile statistical information on the items listed in the law under Section 625i(1)(a-j). These items are further required to be reported by each individual county. For the purposes of meeting this requirement, separate data pages are provided for each of Michigan's 83 counties, as well as a separate data page for statewide totals (County #99). Each data page is formatted so that required items are presented on a single page.

In Section II of this publication, the Department of State provides conviction data outlined in Section 625i(2)(a-h). Data across the top of the County Data page contains the following:

1. Year for which data applies
2. County name
3. Miles of road in the county*
4. Population of the county
5. Total vehicle miles traveled in the county*

**Source: Michigan Department of Transportation (latest available data on file is from 2007)*

TRAFFIC CRASH DATA

The traffic crash data is a product of the Michigan traffic crash reporting system. State statute requires all law enforcement agencies in Michigan to report traffic crashes to the Director of the Michigan Department of State Police on a uniform report form making it possible to summarize the following:

1. Total number of personal injury crashes in the county
2. Number of persons injured in traffic crashes in the county
3. Total alcohol and/or drug involved personal injury crashes in the county
4. Number of persons injured in alcohol and/or drug involved crashes in the county
5. Number of alcohol and/or drug involved personal injury crashes that occurred per 100 miles of roadway in the county
6. Number of persons injured in alcohol and/or drug involved crashes per 100 miles of roadway in the county
7. Number of alcohol and/or drug involved personal injury crashes that occurred in the county per 10,000 population
8. Number of persons injured in alcohol and/or drug involved crashes per 10,000 population in the county

Statewide data is repeated on each county's data page for comparison. Data on fatal and property damage crashes is presented in the same format.

ARREST DATA

- ***625f Implied Consent Suspensions*** indicates cases where a driver was arrested, refused to submit to a chemical test, and consequently had his/her driver license suspended. This information is obtained from Michigan Department of State driver records.

- ***OUIL*** indicates the combined total of arrests for OUIL (Operating a vehicle while Under the Influence of Liquor), UBAC (Unlawful Bodily Alcohol Content), and OUID (Operating a vehicle while Under the Influence of Drugs).

- ***Impaired*** indicates arrests for the lesser violation of OWI (Operating While Impaired).

- ***OWPD or OUIL/OWI Death*** indicates arrests for OWPD or OUIL/OWI at a crash where a person was killed.

- ***OUIL/OWI Injury*** indicates arrests for OUIL/OWI at a crash where a person was seriously injured.

- ***CDL Driver .04*** indicates arrests for OUIL of commercial vehicle drivers (persons with a Commercial Driver License) who had a Bodily Alcohol Content (BAC) of 0.04g to 0.07g (beginning January 1, 1993).

- ***Zero Tolerance*** indicates arrests of persons under 21 years of age that had any Bodily Alcohol Content (BAC) (beginning November 1, 1994).

- ***Child Endangerment*** indicates arrests of persons for operating a vehicle while another person who is less than 16 years of age is occupying the vehicle.

- ***OWPD*** indicates arrests for OWPD (Operating With the Presence of Drugs) at a crash where a person was killed or seriously injured.

COMPARISON OF DATA
TO UNIFORM CRIME REPORT (UCR) DATA

The reader is cautioned **not** to compare Arrest Data (Section I) of this *Annual Drunk Driving Audit* with other seemingly similar arrest data such as that reported by the Michigan Department of State Police, Criminal Justice Information Center, in its annual *Uniform Crime Report.* **The sources of data are not the same.** The *Drunk Driving Audit* is based on Breathalyzer reports submitted by law enforcement officers at the time of a drunk driving arrest. The *Uniform Crime Report* is based on Incident Report forms submitted to the Criminal Justice Information Center.

The Conviction Disposition Summary is assembled and reported by the Michigan Department of State and appears as Section II of this report. See Section II for dispositions by judge.

40 copies of this audit were printed at $32.00 each (total cost $1,280.00)

Section II

Conviction Disposition Data

Michigan Department of State
Conviction Disposition Summary
Interpretation Guide

Understanding the Conviction Disposition Summary

The data reported here is collected by the Michigan Department of State as authorized by MCL 257.625i(2). The report includes cases adjudicated in the past year. Obtaining information for the Conviction Disposition Summary is a two-step process.

First, the conviction abstract that Michigan courts send within 5 days of adjudication provides the conviction information for the audit.

Second, the "Michigan Alcohol Audit Statistical Report," or sentencing abstract, provides disposition and sanctions (fine and costs, community service, imprisonment, immobilization, forfeiture, alcohol treatment) which are set at sentencing, usually several weeks after a plea.

Comparing judge activities from this report may be misleading. Judges may have reports from different judicial levels and/or courts due to assignments. Circuit court OUIL cases are felonies and these have greater sanctions.

All data is gathered from information supplied by the courts to the Department of State. If the statistical data for a given court appears to be abnormal, contact the court directly. The court personnel may be able to work with their court management computer system vendor to clarify the information.

Judge Identification Number - P Number

Each attorney in Michigan is assigned a "P Number" as an identification number. The State Court Administrator's Office has provided the Department with a list of P numbers for judges and for temporarily assigned judges. Edits have been programmed to ensure accurate numbers. There is a column heading labeled "Unknown" for the abstracts with P Numbers that cannot be identified.

Index and Organization of Report

The Report is organized by circuit court, district court, municipal court, and family (probate) court judges. Within each court type, the judges' summaries are arranged alphabetically by the city in which the court is located. Additional indexes list judges alphabetically by last name and by identification number, for easy reference.

The exception to this format is the summary data for Alcohol Immobilizations, 904 Immobilizations, Forfeitures, and Licensing Sanctions Imposed by the Secretary of State. These reports follow the Court Disposition Summaries.

Data summaries for each court type included in the report are included at the end of the data section for the type of court. A statewide summary can be found at the end of the report.

Element Definition Adjudication Results

Merit Dismissals (Merit Dism'l)

This category lists the number of cases where the charges against the driver were dismissed because of the merits of the case. No driver license actions or criminal punishment result from this dismissal.

No Prosecution Dismissals (No Pros Dism'l)

These are cases that were never prosecuted or were dismissed by plea agreement so no conviction data is associated with the arrest. No driver license actions or criminal punishment result from this dismissal.

Acquittals by Trial (Trial Aquit)

In this category, a trial was held on the charges before a judge or jury. Based on the testimony presented and the facts of the case, the driver was acquitted of the charges. No driver license action or criminal punishment is assessed.

Convictions

This number is the total convictions for the specific alcohol charge listed in that column heading. The driver either pled to, or was found guilty of one of the alcohol violations:

OWI --Operating while intoxicated .08 or more. Operating under the influence of a controlled substance. [MCL 257.625(1)]

OWVI --Operating while visibly impaired ability by consumption of intoxicating liquor and/or controlled substance. [MCL 257.625(3)]

DEATH --Operated while intoxicated/controlled substance causing death of another person. [MCL 257.625(4)]

INJURY --Operated while intoxicated/controlled substance causing long-term incapacitating injury. [MCL 257.625(5)]

ZERO T --Person under 21 with any bodily alcohol content above 0.02 and less than .08. [MCL 257.625(6)]

ENDGR --Operating a vehicle in violation of subsection (1), (3), (4), (5) or (8) while another person who is less than 16 years of age occupying the vehicle. [MCL 257.625(7)]

OWPD --Operated with the presence of drugs 333.72122, 333.7214(a)(iv), [MCL 257.625(8)]

CDL.04 --Operated a commercial vehicle with bodily alcohol content between .04 and .08. [MCL 257.625m]

MIP --Person under 21 Purchase/Consume/Possess Liquor. [MCL 436.1703(1)]

ID --Fraudulent identification used to purchase liquor. [MCL 436.1703(2)]

Reduced to non-alcohol offense -- This count shows the number of persons arrested for drunk driving that were convicted of a non-alcohol related offense. This field was moved to the lower left of each disposition report.

Total

The TOTAL row adds the Merit Dismissals, No Prosecution Dismissals, Trial Acquittals and Convictions for each offense.

The Total Column records across all the offenses for Merit Dismissal, No Prosecution Dismissal, Trial Acquittal and Conviction dispositions. Totaling both the row and the column allows comparison by both disposition and offense.

Licensing Sanctions

The number of each type of sanction, by conviction offense, can be found in the "Sanctions Taken by the Secretary of State" report. The responsibility for license sanctions was transfered to the Michigan Department of State on October 1, 1999.

Criminal Sanctions

For judges sitting on multiple benches, sentence averages may or may not be court specific as court codes were not always available.

Incarceration

Incarceration is the actual time ordered. This is reported as the number of **days** ordered

by the judge as part of the sentence to be served in a county, local facility or state institution. This includes time ordered in jail after the point of arrest, including credit given for time served, and any program maintained through the Sheriff's Department; such as a tethering.

Incarceration shows both the statistical average (mean) for all cases and the length most frequently reported (mode).

Community Service

Community service is reported as the number of **days** of community service ordered by the judge as part of the sentence for a drunk driving conviction.

Both the statistical average for all cases (mean) and the community service length most frequently reported (mode) are shown.

Fine

Fines are reported as the number of whole **dollars** ordered as part of the sentence for a drunk driving conviction.

"Fine" includes:

fines assessed

court costs

probationary oversight fee, if any

mandatory Crime Victim Fund assessment

minimum state fee

"Fine" <u>does not</u> include:

alcohol assessment screening costs

alcohol education or treatment costs

community service expenses

indigent counsel fee reimbursement

restitution

Both the statistical average for all cases (mean) and the fine dollar amount most frequently reported (mode) are shown. The maximum fine that can be shown in the Audit is $99,999.

Alcohol Treatment

Alcohol treatment is reported as the number of defendants ordered by a judge to attend an alcohol treatment or a rehabilitation program.

Appendices for Section II:

Vehicle Forfeiture Report

This section allows forfeiture of the vehicle used in the offense. A “Vehicle Forfeit” box was added to the paper abstract and programs were altered to allow the electronic submission of this information.

Alcohol Immobilization Report

Section MCL 257. 904d(1)(a) allows for the immobilization of the vehicle used in the offense for a single OWI, OWVI, OWPD or Child Endangerment, with no prior convictions.

Section MCL 257.904d(1) requires immobilization of the vehicle used in the offense for single OWI/OWVI/OWPD Causing Death or OWI/OWVI/OWPD Causing Serious Injury, with no prior convictions, or, multiple convictions for OWI/OWVI/OWPD Causing Death or OWI/OWVI/OWPD Causing Serious Injury, or Child Endangerment.

Immobilization Report for 904 Suspensions

Section MCL 257.904d(2)(a) allows for the immobilization of a vehicle used in the offense if the driver has one previous suspension, revocation or denial under Section 904 (10), (11), or (12) or former Section 904 (2) or (4) within the past seven years.

Section MCL 257.904d(2)(c) and (d) require the immobilization of a vehicle used in the offense if the driver has two or more previous suspension, revocation or denial under Section MCL 257.904 (10), (11), or (12) or former Section MCL

257.904 (2) or (4) within the past seven years.

Total Sanctions Taken by the Michigan Department of State

Since October 1, 1999, the Michigan Department of State is responsible for imposing licensing actions for offenses listed in the Drunk Driving Audit.
