TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your takeback program? www.v7-world.com/environment

8b. If provided, what telephone number do you provide to consumers for information on your takeback program? (800) 289-9686

TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.
We have have partnered with Clover Technologies Inc., who provides a web platform for V7 customer to trade-in their electronics for recycling using their partnerships with Second Rotation Inc. The recycling plant partner that Second Rotation team uses is M&K Recovery Group. For V7 branded products, specifically, even if there is no resale value a free recycing is offered as an option. Second Rotation team also manages a network of recyclers so the customer is given both options, either to drop of products to local recycler or enter an order through our system which will generate shipping label for customer to ship the unwanted gadget central warehouse managed by Second Rotation Team.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?
To go visit www.v7-world.com/environment for recycling.

11. How do you provide information to consumers on how and where to return covered electronic devices?
By including information of our recycling site on the collateral included in the unit and on our website.

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:

0 Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:
The web-based platform provides customer with network of recyclers and collection agency locally for drop off of unwanted electronics devices as well as provides means for customer to ship unwanted electronics devices free of charge outside of Michigan to Second Rotation Team's partner M&K Recovery Group for recycling. You can visit http://www.mkrecoverygroup.com/ for more information on the recycling methods used by M&K Recovery Group.

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
