Dear Legislators:

P.A. 536 of 2012 amended the Management and Budget Act to require the State Budget Director to review and approve state agency spending plans for the upcoming fiscal year. The approved spending plans are to be transmitted to the Legislature and posted on the State Budget Office website (MCL 18.1373).

In accord with this statutory requirement, the approved spending plans for fiscal year 2015 are now available for your review at www.michigan.gov/budget under "Financial Reports". As required, the spending plans have been published in a spreadsheet compatible format as Excel documents.

By law, the Michigan Strategic Fund and the Michigan State Housing Development Authority are not required to transmit their spending plans to the State Budget Office, but are required to develop and post spending plans on their individual websites. As a courtesy, the State Budget Office website includes links to the spending plans for the Michigan Strategic Fund and the Michigan State Housing Development Authority.

If you have any questions, please contact my Office or the appropriate state agency.

Sincerely,

John S. Roberts
State Budget Director
