DIFS DEPARTMENT OF INSURANCE AND FINANCIAL SERVICES

Michigan Department of Insurance and Financial Services

Annual Report 2014

State of Michigan
Department of Insurance & Financial Services
Patrick M. McPharlin, Director
www.michigan.gov/difs

From the Director

Submitted to:

The Honorable Rick Snyder, Governor of Michigan
Members of the Michigan State Legislature

The Annual Report, prepared pursuant to Section 238 of the Michigan Insurance Code of 1956, 1956 PA 218, MCL 500.238 and Section 2108 of the Michigan Banking Code of 1999, 1999 PA 276, MCL 487.12108, is a valuable reference for information about regulated entities engaged in the business of insurance, banking, and consumer finance in Michigan. This report covers calendar year 2014.

The mission of the Michigan Department of Insurance and Financial Services is to provide a business climate that promotes economic growth while ensuring that the insurance and financial services industries are safe, sound and entitled to public confidence. In addition, the Department provides consumer protection, outreach and education services to Michigan citizens.

In 2014, we took a department-wide look at many of our processes and procedures. Several areas for improvement were identified, and while addressing them remains an ongoing effort, we are already experiencing greater efficiency. Offering more and more services online allows the division to better meet the needs of its stakeholders and to benefit from an elimination or reduction in paper processing.

Our participation in the NAIC allows the division to influence model laws and future insurance trends.

As a Department and as individuals, we value integrity, honesty, personal excellence, continual self-improvement, and accountability. We strive to create and maintain active relationships with both consumers and licensees in the insurance and financial services industries to ensure adequate protections while fostering growth, strength and sustainability.

This annual report is also available on the Departments website at www.michigan.gov/difs under "publications".

Sincerely,

Patrick M. McPharlin
Director

2014 Accomplishments

Economic Development Initiative: DIFS successfully launched an internship program last summer through which five interns from insurance companies spent time in each office of DIFS learning about various aspects of insurance regulation and gaining an understanding of how the department both protects consumers and supports the insurance industry. This year's pilot program was praised by both the interns and the insurers for which they work. In addition, the Department began a program aimed at colleges and universities to promote insurance as a career, as well as met with several insurance executives to determine their talent needs.

Southeast Michigan Flood: After the disaster declaration, DIFS fielded over 450 additional calls in the week following the storm and, in an effort to further assist consumers, DIFS added flood information on the front page of its web site, provided staff to participate at multi-agency resource centers, and sent a communication to insurers asking them to continue their excellent service and handle consumers with patience and empathy. In addition, DIFS' licensing staff worked evenings and weekends to process over 330 independent adjuster license applications so that additional adjusters could assist in handling insurance claims from the flooding.

Michigan Health Care Cost and Quality Advisory Committee: In 2013, Michigan passed legislation implementing an expansion of the Medicaid program known as Healthy Michigan. As part of this legislation, a Michigan Health Care Cost and Quality Advisory Committee were established and Director Flood was selected as chairperson. This committee was charged with issuing a report with recommendations on the creation of a database on health care costs and health care quality in the state. The committee met numerous times throughout the year and developed a report to the Legislature that included a review of existing efforts across the United States to make health care cost and quality more transparent. The committee was made up of representatives of DIFS and the Department of Community Health, and chairs and minority vice chairs of the House and Senate Health Policy Committees.

Consumer Assistance and the Affordable Care Act: Under the Health Insurance Consumer Assistance Program (HICAP), DIFS continued its efforts to educate Michigan residents about the Affordable Care Act (ACA) and provide resources to help them understand and comply with the new laws. The HICAP website has been continually updated in order to be a helpful resource for Michigan residents who have questions or require further information about the changing health insurance landscape. In a 60-day period, the Health Plans and Managed Care Office reviewed 734 medical plans/rates and 228 dental plans/rates in preparation for being available on the Marketplace.

"Reinventing Mi Retirement: In response to Governor Snyder's Special Message to the Legislature on Aging delivered in June, DIFS was charged with creating a set of comprehensive financial planning tools and, in coordination with Office of Services to the Aging, state financial experts and community leaders, developing a public awareness campaign. In four months, DIFS secured grant money and 11 underwriting sponsors to fund the campaign; successfully partnered with a number of financial experts to develop the Reinventing MI Retirement Financial Toolkit, a package of financial tools and resources designed to provide Michiganders with information on personal finance, retirement planning, and avoiding/eliminating debt and other financial difficulties; and promoted the Reinventing MI Retirement initiative through 8 events around the state that were free to the public, and included speakers, workshops, and individual financial check-ups.

These organizations are authorized to sell property insurance and/or casualty insurance as defined in Chapter 6 of the Insurance Code. In Michigan, PC-Other refers to four entities: The Michigan Catastrophic Claims Association, the Michigan Basic Property Insurance Association, the Worker's Compensation Facility, and the Michigan Automobile Insurance Placement Facility. These are legislatively created entities formed for the public's welfare and therefore are not "owned" by policyholders or stockholders.

PC-RECIP Property and Casualty - Reciprocal Exchanges

A reciprocal exchange is an association organized under the provisions of Chapter 72 of the Insurance Code. A reciprocal is much like a mutual in that it is owned by its policyholders. Members share profits and losses in the same proportion as the amount of insurance purchased from the exchange by that member.

PC-RRG Risk Retention Groups

A Risk Retention Group is a company formed for the purpose of spreading all or a portion of the liability insurance risk of its group members, who are also owners of the company. The members/owners are engaged in businesses or activities similar with respect to the liability of which

they are exposed by virtue of a related, similar, or common business trade, product, service, premises, or operation.

PC-S/L Property and Casualty - Surplus Lines

Surplus lines insurance is insurance procured from an unauthorized insurer. A surplus lines insurer, as an unauthorized company, is not admitted or licensed to do business in Michigan. They market insurance that is not available from an authorized company in the regular market. Surplus lines insurance is governed by the provisions of Chapter 19 of the Insurance Code.

PC-USB Property and Casualty - U.S. Branch of Alien Insurers (USB)

This entity type represents an alien insurer that uses this state as its state of entry to sell property and casualty insurance in the United States. Regulated under Chapter 4 of the Insurance Code, USBs must qualify as an insurer licensed to do business in this state and must establish a trust account pursuant to a trust agreement approved by the commissioner.

TITLE Title Companies

These are domestic, foreign, or alien insurers authorized to sell title insurance and organized pursuant to the provisions of Chapter 73 of the Insurance Code. Title companies notify prospective purchasers of recorded liens or easements on a parcel of real estate. They provide insurance against loss due to other title defects such as forgery, fraud, errors in public records, and wills not probated.
