Wed 3/19/2014

We discovered a page on the DCH website where you can add, terminate or change a client's insurance information via the web. Per TPL, the current processing time using the online form is approximately 7 days. Here's the link:

Or follow this path: www.michigan.gov/medicaidproviders > click Update Other Insurance NOW!

Contact Rebecca Start at StartR@michigan.gov you have questions. Thanks, Martha McGraw, for this great find!
