Women & Retirement Social Media — February

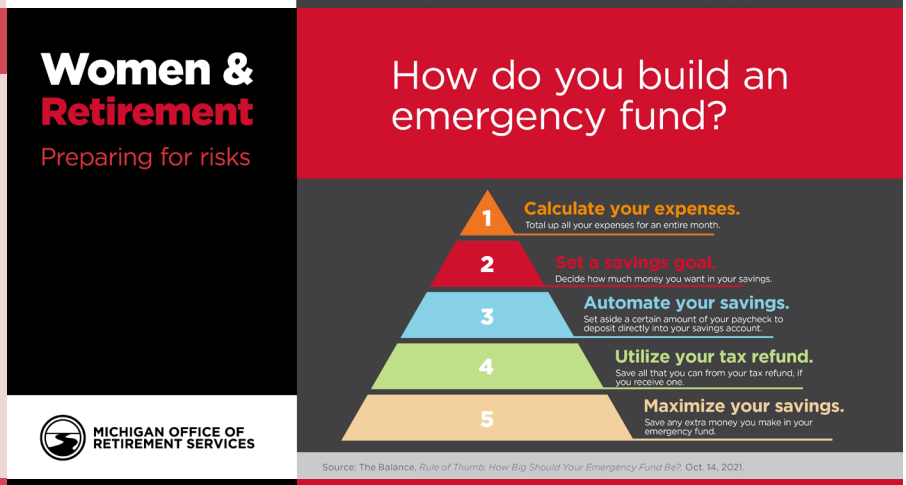
Post language	Post image

February 1

Women may enjoy retirement longer, but they can outlive their savings, are disadvantaged, and face other obstacles. **Use these resources to plan.**

February 7

Saving for retirement and other long-term goals is a must, but don't overlook the necessity for **emergency savings**. That can help you weather those #OMG moments every woman faces while helping keep you and your financial needs on track.



February 14

Like most women, you're busy. Your plate is full. But are you on track for a secure financial future in retirement? Now is a great time to check on your future. **Voya Financial's myOrangeMoney Retirement Calculator** helps you see how much you may need to retire with the life you dream of.

Social Media — February, continued
