Report on Executive Directive 2019-8

Required by ED 2019 – 8, Section 7

Prepared for
The Honorable Gretchen Whitmer

Department of Technology, Management and Budget
Procurement
January 29, 2019

This report outlines the steps Procurement has taken to Implement the Executive Directive 2019-8 (ED) and the current status.

In-person Meetings

- Per the ED, which requires Procurement meet with organizations representing small businesses, Procurement met with Business groups, SBAM, and Procurement Technical Assistance Centers on 2/28/2019 & 3/5/2019. The purpose of this meeting was to discuss the ED and how to best implement it. Procurement targeted business groups to reach as many eligible enterprises as possible.
- 5/7/2019 The Mi Supplier Community (MiSC) program was formally announced at the Supplier Summit, pending approval of budget boilerplate language.
    - Procurement created the MiSC program to support the ED. It raises the public posting threshold for bids up to $500,000 if agencies solicit at least three quotes from MiSC registered vendors. This shortens and simplifies the bidding process to make it easier for MiSC vendors to do business with the state. MiSC vendors include Michigan-based Small Businesses (per MCL 18.1268), Veteran or Service-Disabled Veteran Owned Businesses, Michigan Geographically Disadvantaged Business Enterprises, and Community Rehabilitation Organizations.
- 6/7/2019 Procurement met with Rep. Joe Tate, and the Veteran Business Round Table to discuss the impact and implementation of the ED.
- 12/20/2019 Procurement had a follow-up meeting to the 2/28 and 3/5 meetings to discuss how the ED is working and the MiSC program. This is a semi-annual supplier roundtable meeting, with the next one in April of 2020. A list of invitees / attendees is attached (Attachment 1) along with the one-page MiSC summary provided at the meeting (Attachment 2).

Communications Sent

- 3/29/2019 – All vendors in SIGMA – Explained the ED, what businesses are eligible, and how to register within SIGMA.
- 3/29/2019 – Procurement Staff – Explained the ED and how it should be applied to bid awards.
- 7/8/2019 – All Vendors in SIGMA – Encouraged supplier registration, explained the ED and introduced the MiSC program.
- 7/15/2019 – Reminded suppliers to register and explained the ED and MiSC.
- 8/8/2019 – Procurement Staff – Updated procurement professionals on MiSC requirements and how it is to be used.

Next Steps

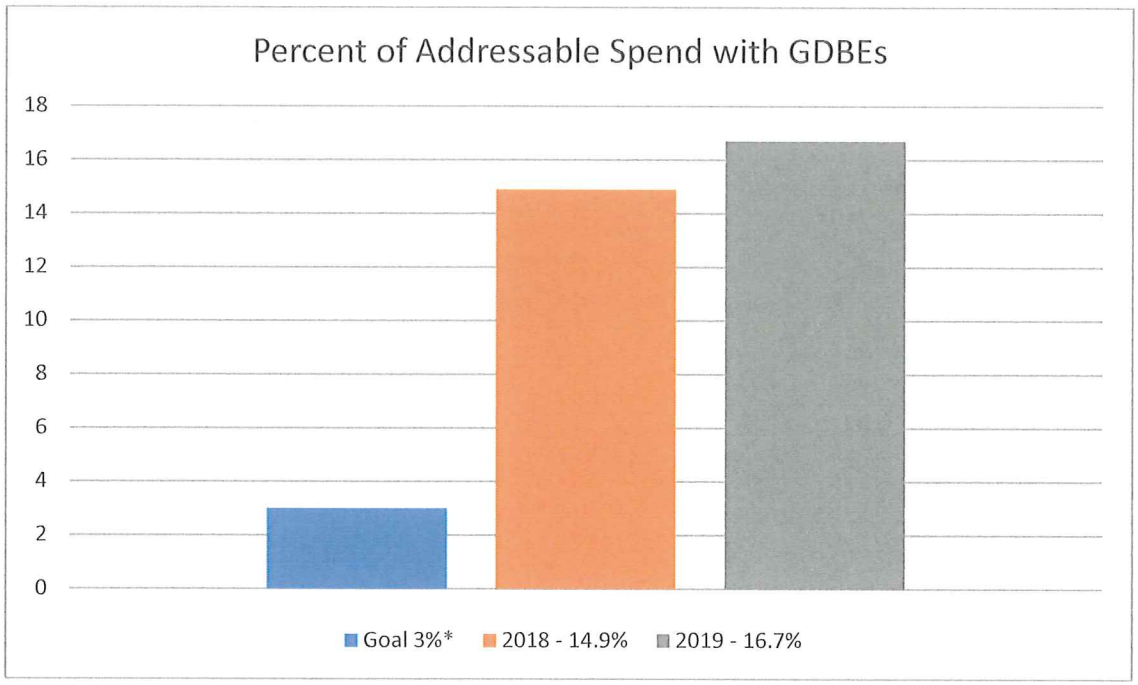
- Week of 1/27/2020 – Sending out a fresh communication to all suppliers regarding MiSC.
- April 2020 - Next supplier roundtable meeting – Exact date TBD.
- 5/19/2020 – 2020 Supplier Expo – Suppliers will be able to register and complete their affidavit on site. MEDC will be participating to facilitate match making with their supply base, and lend their ability to directly target MWBE suppliers.

Reporting

- Currently 132 suppliers are registered for the MiSC program in SIGMA.
- Only 72 suppliers have registered as one of the qualifying GDBE types and certified as such via affidavit, per ED 2019-8.
- Reporting here is being done by using the State's GIS service to geocode the addresses suppliers have registered with in SIGMA.
- This reporting only captures businesses located in Qualified Opportunity Zones (And does not capture spend with businesses certified as a HUBZone Small Business, or spend with businesses with a majority of their employees working at a location within a Qualified Opportunity Zone or maintaining principal residence within a Qualified Opportunity Zone)

	2018	2019
Spend with GDBEs (Businesses with their principle place of business in a QOZ)	$338,621,501	$429,181,690
Total Addressable Spend*	$2,273,057,326	$2,569,738,419
Percent of Spend with GDBEs	14.9%	16.7%
ED 2019-8 Established Goal		**3%**

*Addressable Spend excludes healthcare/health insurance spend because most of it is pass through dollars, and the inclusion of these funds greatly skews spend data. This is exclusion is typical in all CPS reporting.



*Initial Goal was set before GDBE data existed. With the data Procurement has currently, an adjustment of the target would be advisable.

Attachment 3 lists all current contracts held by businesses located within a Qualified Opportunity Zone. It lists the contract number, agency, supplier name and city, the value of the whole contract, the category of goods or services supplied, and whether the business is *registered* as a GDBE within SIGMA. This sheet shows Michigan has over 1,400 contracts with businesses located within Qualified Opportunity Zones, with a combined value above $1.54 billion. It is worth noting, that as of the release of this reports, no contracts have been awarded on the basis of status as a GDBE.

Attachment 1

List of Supplier Roundtable Attendees

For December 20, 2019 Meeting

Organization Invited	Name	E-mail	Attended?
Great Lakes Women's Business Council	Michelle Richards	mrichards@greatlakeswbc.org	x
Michigan Chamber of Commerce	Wendy Block	wblock@michamber.com	
Michigan Hispanic Chamber of Commerce	Armando Ojeda	aojeda@mhcc.org

MiSC Handout Distributed at Supplier Roundtable Meeting

MiSC ROUNDTABLE

DECEMBER 20, 2019 • DETROIT, MI

MiSC
MICHIGAN SUPPLIER COMMUNITY

A MESSAGE ABOUT MiSC FOR STAKEHOLDERS

State of Michigan Procurement recently established the Michigan Supplier Community (MiSC) program. This new program expands opportunities for qualifying Michigan-based businesses.

MiSC simplifies the bidding process. It allows for State of Michigan agencies to get three quotes and make select purchases from vendors. The quotes are requested from the pool of MiSC registered vendors. These purchases can be up to $500,000 and are not publicly posted on the State's SIGMA VSS system.

Many (*stakeholders*) of (*your organization*) are likely eligible to be a part of the MiSC program and should take advantage of this opportunity. Eligible companies can join the MiSC program for free by submitting a notarized affidavit and updating their SIGMA VSS profile.

Visit Michigan.gov/MiSC for details. This page includes a breakdown of who is eligible and the required affidavit. If you have any questions about this program, please contact:

Will Camp
Supplier Relations Manager
State of Michigan Procurement
Email: CampW@Michigan.gov
Phone: 517-242-1303

MiSC BASICS

Executive Directive 2019–08 asked DTMB to encourage expanded business opportunities within low-income communities and underutilized business areas. **MiSC** was established to help meet this goal.

EXPANDED OPPORTUNITIES

AFFIDAVIT REQUIRED

A signed and notarized affidavit **is required.** The affidavit is available on our website.

Purchases can be up to **$500,000** with approval and are **not posted on SIGMA VSS.** State of Michigan buyers get three quotes from registered MiSC vendors instead.

≤$500,000

MAXIMUM PURCHASE

Michigan.gov/MiSC

The MiSC page on State of Michigan Procurement's website has full program details including which businesses qualify.
