Rule 2104		Table G-3
	Part II	Special Substances Standards
Rule 2205		Asbestos
Rule 2260		Vinyl Chloride
	Part III	Carcinogens
Rule 2301		"A" Designated Substances
Rule 2302		Work Practices for "A" Designated Substances

	Part IV	Physical Agents
Rule 2401		Occupational Noise Exposure
Rule 2410		Ionizing Radiation
Rule 2420		Nonionizing Radiation
	CHAPTER III	HEALTH HAZARD CONTROL MEASURES
	Part I	Ventilation
Rule 3101		Ventilation Control
Rule 3110		Ventilation for Certain Hazardous Locations
	Part II	Ventilation Control for Specific Processes
Rule 3201		Scope and Applicability
Rule 3205		Abrasive Blasting
Rule 3210		Forging Machines
Rule 3215		Grinding, Polishing and Buffing
Rule 3220		Open Surface Tanks
		(1) Scope
		(2) Classification of Open-Surface Tank Operations
		(3) Ventilation
		(4) Control Requirements
		(5) Spray Cleaning and Degreasing
		(6) Control Means Other Than Ventilation
		(7) System Design
		(8) Operation
		(9) Personal Protection
		(10) Special Precautions for Cyanide
		(11) Inspection, Maintenance, and Installation
		(12) Vapor Degreasing Tanks
		(13) Ventilation for Dip Tanks Containing Flammable or Combustible Liquids

Rule 3225		Powered Industrial Trucks
Rule 3230		Sanding Machines
Rule 3235		Spray Finishing Operations
		(1) Scope
		(2) Definitions
		(3) Location and Application
		(4) Design and Construction of Spray Booths
		(5) Design and Construction of Spray Rooms
		(6) Ventilation for Spray Finishing Using Flammable and Combustible Materials
		(7) Ventilation (General Standard)
		(8) Velocity and Air Flow Requirements
		(9) Make-Up Air
Rule 3240		Welding, Cutting and Brazing
	Part III	Control Measures for Hazardous Atmospheres (Including Tank and Vessel Entry)
Rule 3301		Control Methods for Process Spaces Containing a Known or Suspected Non-respirable Atmosphere
Rule 3302		Use of Respirators in Dangerous Atmospheres
Rule 3303		Specific Operations and Special Industries
Rule 3304		Extinguishing Systems
	Part IV	Control Measures in Special Industries
Rule 3401		Applicability
Rule 3402		Pulp, Paper, and Paperboard Mills Covered by Rule 5001
Rule 3403		Textiles

Rule 3404		Bakery Equipment
Rule 3405		Laundry Machinery and Operations
Rule 3406		Sawmills
	Part V	Personal Protective Equipment
Rule 3501		General Requirements
Rule 3502		General Respiratory Protection
Rule 3503		Personal Protective Equipment in Pulp, Paper, and Paperboard Mills
Rule 3504		Personal Protective Equipment in Textile Operations
Rule 3505		Personal Protective Equipment in Sawmills
Rule 3506		Personal Protective Equipment in Pulpwood Logging
	CHAPTER IV	GENERAL WORK PLACE REQUIREMENTS
	Part I	Illumination
Rule 4101		General
Rule 4102		Powered Industrial Trucks
Rule 4103		Overhead and Gantry Cranes
Rule 4104		Mechanical Power-Transmission Apparatus
Rule 4105		Manlift
Rule 4106		Illumination Standards for Special Industries
	Part II	Sanitation
Rule 4201		General
Rule 4202		Nonwater Carriage Disposal Systems
	Part III	Employment Related Housing
Rule 4301		Temporary Labor Camps
	Part IV	Medical and First Aid
Rule 4401		Medical Services and First Aid

	Part V	Signs and Tags
Rule 4501		Specifications for Accident Prevention Signs and Tags
	CHAPTER V	SPECIAL INDUSTRY REQUIREMENTS
Rule 5001		Pulp, Paper, and Paperboard Mills
Rule 5002		Textiles
Rule 5003		Bakery Equipment
Rule 5004		Laundry Machinery and Operations
Rule 5005		Sawmills
Rule 5006		Pulpwood Logging
Rule 5007		Agriculture Operations
