NOTE: Not compatible with T6000 Elite Power Command.

*Loader specifications may vary based on tractor model, hydraulic system, tire size, etc.

NOTE: IMPORTANT COMPATIBILITY INFORMATION
For installation on T6030, T6050, T6070 Elite Auto Shift, Plus or Delta and TS-A tractors (standard axle):
- Loader is compatible with front fenders. See Operator's Manual for additional information or restrictions.
- Front axle oscillation stops are included with the loader mounting kit (if required).
- Not compatible with T6000 Elite Power Command models.
- Loader is not compatible with 16.9R30 front tires
For installation on T6010, T6020, T6030, T6040, T6050, T6070 Elite Auto Shift, Plus and TS-A tractors (SuperSteerTM axle):
- Loader is compatible with front fenders. See Operator's Manual for additional information or restrictions.
- Front axle oscillation stops are included with the loader mounting kit (if required).
- Not compatible with T6000 Elite Power Command models.
- Loader is not compatible with 16.9R30 front tires.

LOADER COMPONENTS
Order the following to make up a complete Model 840TL Quick-Attach Loader:
- (A) Basic Packaged Loader NonSelf-Leveling Package: Includes boom, 4-bar

DRAFT: FOR INTERNAL USE ONLY

-CP9D 04

MODEL 840TL QUICK-ATTACH FARM LOADER
US PRICE LIST

(ALO)

Standard Equipment

bucket linkage, bucket level indicator and parking stand.
Self-Leveling Package: Includes boom, MSL linkage, 4-bar bucket linkage, bucket level indicator and parking stand.
- (B) Mounting Kit
- (C) Hydraulic Components: Mid-mount loader valve (ordered as FIO on tractor or as DIA kit) and hydraulic hose package.
- (D) Bucket(s) and Attachments
- (E) Extra Equipment
- (F) Miscellaneous

NOTE: IMPORTANT ORDERING INFORMATION
- T6000 Series tractors ordered with factory installed joystick/mid-mount valve include rear loader brackets.
- T6000 Series tractors offer a factory installed rear loader mounting bracket option, without mid-mount valves.
- TS-A Plus and Deluxe models include the rear loader bracket on all models.
- TS-A Standard models ordered with joystick/mid-mount valve include the rear loader brackets.
- The following front and rear loader mounting brackets will support your loader installation.

*Loader specifications may vary based on tractor model, hydraulic system, tire size, etc.

NOTE: MODEL 850TL IS NOT COMPATIBLE WITH TM130 OR TM140 "STANDARD" MODELS.

NOTE: IMPORTANT COMPATIBILITY INFORMATION
For installation on T6030, T6050, T6070, T6080 Elite Power CommandTM:
- Loader is compatible with front fenders. See Operator's Manual for additional information or restrictions.
- Front axle oscillation stops are included with the loader mounting kit (if required).
- Not compatible with T6000 Elite Auto Shift models.
- Loader is not compatible with 16.9R30 front tires.
For installation on T7030, T7040 tractors (standard axle), T7030, T7040 tractors (SuperSteerTM axle):
- Loader is compatible with front fenders. See Operator's Manual for additional information or restrictions.
- Front axle oscillation stops are included with the loader mounting kit (if required).
- Loader is not compatible with 16.9R30 front tires.
For installation on TM tractors (standard axle):
- Loader is compatible with front fenders. See Operator's Manual for additional information or restrictions.
- Front axle oscillation stops are included with the loader mounting kit (if required).
- Loader is not compatible with 16.9R30 front tires.

TM130 or TM140 "Standard" Models.
For installation on TM tractors (SuperSteerTM axle):
- Loader is compatible with front fenders. See Operator's Manual for additional information or restrictions.
- Front axle oscillation stops are included with the loader mounting kit (if required).
- Loader is not compatible with 16.9R30 front tires.

LOADER COMPONENTS
Order the following to make up a complete Model 850TL Quick-Attach Loader:
- (A) Basic Packaged Loader NonSelf-Leveling Package: Includes boom, 4-bar bucket linkage, bucket level indicator and parking stand.
Self-Leveling Package: Includes boom, MSL linkage, 4-bar bucket linkage, bucket level indicator and parking stand.
- (B) Mounting Kit
- (C) Hydraulic Components: Mid-mount loader valve (ordered as FIO on tractor or as DIA kit) and hydraulic hose package.
- (D) Bucket(s) and Attachments
- (E) Extra Equipment
- (F) Miscellaneous

IMPORTANT: T6000, T7000 and TM Series tractors must be equipped with a mid-mount valve and joystick to operate the Model 850TL loader. The mid-mount valve and joystick are available as a Factory Installed Option or as a Dealer Installed Accessory (DIA kit shipped with your loader).

NOTE: IMPORTANT ORDERING INFORMATION
- T6000 Series tractors ordered with factory installed joystick/mid-mount valve include rear loader brackets.
- T6000 Series tractors offer a factory installed rear loader mounting bracket option, without mid-mount valves.
- T7030, T7040 tractors offer a factory installed rear loader mounting bracket option (without ordering mid-mount valves).
- TM Series tractors ordered with joystick/mid-mount valves include the rear loader bracket as standard. Requires front bracket to be ordered.
- TM Series tractors ordered without factory joystick/mid-mount valve requires front and rear brackets to be ordered.
- The following front and rear loader mounting brackets will support your loader installation.

as DIA kit) and hydraulic hose package.
- (D) Bucket(s) and Attachments
- (E) Extra Equipment
- (F) Miscellaneous

NOTE: IMPORTANT ORDERING INFORMATION
- T7030, T7040, T7050, T7060 tractors offer a factory installed rear loader mounting bracket option (without ordering mid-mount valves).
- TM Series tractors ordered with joystick/mid-mount valves include the rear loader bracket as standard. Requires front bracket to be ordered.
- TM Series tractors ordered without factory joystick/mid-mount valve requires front and rear brackets to be ordered.
- The following front and rear loader mounting brackets will support your loader installation.

Important: T7000 and TM Series tractors must be equipped with a mid-mount valve and joystick to operate the Model 860TL loader. The midmount valve and joystick are available as a Factory Installed Option or as a Dealer Installed Accessory (DIA kit shipped with your loader).
