
The school district boundaries displayed on this map were created as a result of a boundary project sponsored during the school year 2004 - 05 by the Michigan Department of Education (MDE), the Michigan Center for Geographic Information (CGI), and the U.S. Census Bureau, in cooperation with each school district and intermediate school district (ISD) that participated in the project. Data that is current to the district or are voluntary and all the school districts displayed may or may not have participated.

Please feel free to contact CGI with questions regarding the boundary mapping process. However, it should be noted that school districts are responsible for their own boundaries and that CGI is only a facilitator of school district boundaries. If you believe that there may be an error in a boundary, please contact the affected school districts and ISD(s) for clarification and possible resolution. CGI will welcome the opportunity to incorporate authorized boundary changes into our map information when received.
