
The school district boundaries displayed on this map were created as a result of a boundary project conducted during the school year 2003 - 2004. The boundaries were created using the Michigan Center for Geographic Information (CGI) and the U.S. Census Bureau, in conjunction with each school district and intermediate school district (ISD) that participated in the project. Data that is known to be inaccurate or incomplete and all school districts displayed may or may not have participated.
