
The school district boundaries displayed on this map were created as a result of a boundary mapping project conducted during April 2004 - The Michigan Center for Geographic Information (MCGI), the Michigan Center for Geographic Information (CGI), and the U.S. Census Bureau, in conjunction with each school district and intermediate school district (ISD) that participated in the project. Data that is subject to the statutory or voluntary joint all the school districts displayed may or may not have participated.

Information provided is accurate to the best of our knowledge and contained in the map in a digital format. It is the intent of the MCGI and CGI to provide useful and accurate information. We do not warrant the information to be authoritative, complete, factual, or timely. Information represented as an "area" and as "intermediate" lines. The State of Michigan, MCGI, and CGI shall not be liable for any damage incurred as a consequence of using, or not using, resulting from the use and application of any of the contents of this map.

Please feel free to contact CGI with questions regarding the boundary mapping process. However, it should be noted that each school district is responsible for its own boundary determination and official boundaries. If you believe that there may be an error in a boundary, please contact the affected school districts and ISD(s) for clarification and possible resolution. CGI will welcome the opportunity to incorporate authorized boundary changes into our map information when received.
