Governmental Agency Second Right of Refusal
Parcel Listing

This listing is intended solely for State of Michigan land administering divisions, counties and local municipalities. These parcels are not available for public purchase.

By authority of Public Act 206 of 1893; MCL 211.78m, tax-foreclosed parcels may be purchased by governmental agencies under the following conditions:

The State of Michigan is granted the right of first refusal to purchase property at the greater of the minimum bid or its fair market value.

A city, village or township may purchase for a public purpose, any property located within that municipality by paying the State the minimum bid, minus any taxes levied by that city, village or township and any interest, penalties or fees owing to the municipality for those taxes.

Lastly, if the local municipalities elect not to purchase the property, the county in which the property is located may purchase it by paying the State the minimum bid amount.

Please see the Tax Foreclosed Parcels Listing to review parcels that did not sell at our first public land auction, which may be of interest to your governmental agency. Parcels are listed in alphabetical order by county name. Applicants should review the web cancellation list for parcel availability immediately prior to submitting an application, as parcel offerings may be cancelled at any time.

To purchase property, your agency must submit a completed State, County or Local Unit of Government Purchase Application, along with certified payment by ***October 4, 2007***. This is the second opportunity for agencies to purchase parcels under these terms.

Questions regarding the application process may be directed to Roxanne Harris at the Foreclosure Services Section of the Michigan Department of Treasury, 517-335-3253, or by email at harrisrl@michigan.gov.
