DEPARTMENT OF CONSUMER & INDUSTRY SERVICES
BUREAU OF HEALTH SYSTEMS
NURSING HOME SURVEY REPORT
APRIL 30, 2003

Introduction

Section 316 of Public Act 527 of 2002, requires that the Department report to the appropriations subcommittees and fiscal agencies information on the following: surveys conducted, surveys requiring follow-up, the number of referrals to the Michigan Public Health Institute for remediation, the number of citations per home, night and weekend complaints filed, night and weekend responses to complaints, and the average length of time for the department to respond to a complaint.

Section 20155(14) of Public Act 368 of 1978, as amended, requires that the department also report this information to the standing committees having jurisdiction over issues involving senior citizens and fiscal agencies.

The information provided is based on data for the period October 1, 2002 through March 31, 2003.

a.	The number of standard surveys conducted	229
	The number of complaint surveys conducted	604
b.	The number of standard surveys requiring follow-up (First, second, third revisit)	225
	The number of complaint surveys requiring follow-up (First, second, third revisit)	143
c.	The number (of facilities) referred to the Michigan Public Health Institute for remediation	17
	The number of Michigan Public Health Institute remediations, e.g. pressure sore or resident rights in-services, clinical advisors, temporary managers	22
d.	The number of citations per home (standard surveys) (This is based on 1,728 citations for 225 standard surveys.)	7.68
	The number of citations per home (complaint surveys) (This is based on 265 citations for 155 complaint surveys resulting in citations.)	1.71

e. The number of night and weekend complaints filed (The number of complaints received after business hours or on weekends.) 15

f. The number of night and weekend responses (initial on-site investigation contact after business hours or on weekends) to complaints conducted by the Department. 32

Note: The nature of a complaint determines whether an off-hours investigation is required. All complaints received off hours do not require a weekend or evening response. A complaint alleging lack of activities for residents can be investigated through review of records and interview of residents during normal business hours.

The number of off-hours (night and weekend) standard surveys 30

Note: The percentage of off-hours standard surveys (13%) exceeds the Centers for Medicare & Medicaid Services' requirement of 10% off-hours surveys.

g. The average length of time (in days) for the department to respond to a complaint filed against a nursing home

1. Acknowledgment of receipt of complaint 1.0 days
2. Investigation conducted 27.9 days

h. The number and percentage of citations appealed 180/9%

i. The number and percentage of those citations appealed which were overturned, modified, or both.

Supported	142/79%
Amended	19/10.5%
Deleted	19/10.5%
	180

The number of citations either deleted or amended in this period, represent 1.9% of the 1,993 citations issued. Approximately 98.1% of the citations issued in this period were either not appealed or were supported in full.
