Re: AF630271336

Dear Mr. & Mrs. Whisnant:

On October 15, 2014, Licensing Consultant Stephanie Williams completed an onsite inspection of your home and observed the home to be vacant with a realtor "lock box" on the front door, along with a note on the front window from HomeSteps/Freddie Mac Homes requesting contact only for emergency purposes.

Per 1979 PA 218, MCL 400.713(7), a license shall be issued to a specific person for a facility at a specific location, is nontransferable, and remains the property of the department. Therefore, due to the discovery that your home has been vacated, along with your failure to submit a license renewal application and renewal fee, the Bureau of Children and Adult Licensing has administratively closed your adult foster care family home license.

If you have any questions regarding this letter please contact Joshua Hargrove, Department Analyst, in the Disciplinary Action Unit at (517) 284-9708.

Sincerely,

Jerry Hendrick, Acting Director
Bureau of Children and Adult Licensing
