**GENERAL**

This contract is for the commodities specified thereunder to be furnished during the period as noted on this contract. Exact quantities to be purchased are unknown, the contractor will be required to furnish all such materials as may be ordered during the contract period. Quantities specified if any, are estimates based on prior purchases, and the State is not obligated to purchase in these or any other quantities. Orders for delivery will be issued directly to the Contractor by Michigan Department of Transportation on the [Purchase Order Release Form](#) and by the Office of Purchasing on the [Purchase Order Form](#).

Indicated on the Contract is the "ship to" address for the participating agency. However, if the Contractor and the State agree, additional State agencies may participate should the need develop.

In order of precedence, this [contract](#) will consist of published addenda modifying the ITB, the contents of this Contract, and the Contractor's response to the ITB requirements. In case of disagreement, the ITB as modified by the published addenda will rule. The State of Michigan shall not be bound by any part(s) of any bidder's response to this contract which contains information, options, conditions, terms, or prices not requested nor required in this contract.

The failure of a party to insist upon strict adherence to the term of this [contract](#) shall not be considered a waiver or deprive the party of the right thereafter to insist upon strict adherence to that term or any other term of the contract.

This [contract](#), may not be modified, amended, extended, or augmented except by a writing executed by the parties hereto, and any breach or default by a party shall not be waived or released other than in writing signed by the other party.

Each provision of this [contract](#) shall be deemed to be severable from all other provisions of the [contract](#) and, if one or more of the provisions of the [contract](#) shall be declared invalid, the remaining provisions of the [contract](#) shall remain in full force and effect.

This [contract](#) shall in all respects be governed by, and construed in accordance with, the laws of the State of Michigan.

**CONTRACT TERM**

The term of this [contract](#) will be for a [five \(5\) year](#) period and will commence with the issuance of the [contract](#). This will be [May 1, 2001](#) through [May 1, 2006](#).

**ISSUING OFFICE**

This contract is issued by the Office of Purchasing, State of Michigan, Department of Management and Budget, hereinafter known as the Office of Purchasing, for the Michigan Department of Transportation, hereinafter known as MDOT. Where

actions are a combination of those of the Office of Purchasing and MDOT, the authority will be known as the State.

The Office of Purchasing is the sole point of contact in the State with regard to all procurement and contractual matters relating to the commodities and/or services described herein. The Office of Purchasing is the only office authorized to change, modify, amend, alter, clarify, etc., the specifications, terms, and conditions of this [contract](#). The Office of Purchasing will remain the SOLE POINT OF CONTACT throughout the procurement process until such time as the Director of Purchasing shall direct otherwise in writing (see paragraph below). All communications covering this procurement must be addressed to:

Department of Management and Budget  
Office of Purchasing  
Attn: Duane S. Cortright, Buyer  
2nd Floor, Mason Building  
P. O. Box 30026  
Lansing, Michigan 48909

### **CONTRACT ADMINISTRATOR**

Upon receipt at the Office of Purchasing of the properly executed [Contract Agreement\(s\)](#), it is anticipated that the Director of Purchasing will direct that MDOT be authorized to administer the [contract](#) on a day-to-day basis during the term of the [contract](#). However, administration of this [contract](#) implies no authority to change, modify, clarify, amend, or otherwise alter the terms, conditions, and specifications of such [contract](#). That authority is retained by the Office of Purchasing.

### **INCURRING COSTS**

The State of Michigan is not liable for any cost incurred by the bidder prior to signing of this [contract](#). The State fiscal year is October 1st through September 30th. The prospective Contractor(s) should realize that payments in any given fiscal year are contingent upon enactment of legislative appropriations. Total liability of the State is limited to terms and conditions of this [contract](#).

### **NEWS RELEASES**

News releases pertaining to this contract or project to which it relates shall not be made without prior written State approval, and then only in accordance with the explicit written instructions from the State. No results of the activities associated with this contract are to be released without prior written approval of the State and then only to persons designated.

### **PRIME CONTRACTOR RESPONSIBILITIES**

The prime Contractor will be required to assume responsibility for all contractual activities offered in this Contract, whether or not that Contractor performs them. Further, the State will consider the prime Contractor to be the sole point of contact with regard to contractual matters, including payment of any and all charges

resulting from this [contract](#). If any part of the work is to be subcontracted, this contract must include a list of subcontractors, including firm name and address, contact person and a complete description of work to be subcontracted. The State reserves the right to approve subcontractors and to require the primary Contractor to replace subcontractors found to be unacceptable. The Contractor is totally responsible for adherence by the subcontractor to all provisions of the [contract](#). Any change in subcontractors must be approved by the State, in writing, prior to such change.

### **ASSIGNMENT**

The Contractor shall not have the right to assign this contract or to assign or delegate any of its duties or obligations under this contract to any other party (whether by operation of law or otherwise), without the prior written consent of the State. Any purported assignment in violation of this Section shall be null and void. Further, the Contractor may not assign the right to receive money due under the contract without the prior written consent of the State Purchasing Director.

### **DELEGATION**

The Contractor shall not delegate any duties or obligations under this contract to a subcontractor other than a subcontractor named in the bid unless the State Purchasing Director has given written consent to the delegation.

### **DISCLOSURE**

All information in a bidder's proposal and this contract is subject to the provisions of the Freedom of Information Act, 1976 Public Act No. 442, as amended, MCL 15.231, *et seq.*

### **RECYCLED CONTAINERS**

Contractor is encouraged to offer products packaged in containers using recovered materials suitable for the intended use. 'Recovered material' is defined as post-consumer waste (any products generated by a business or consumer which have served their intended end use, and which have been separated or diverted from solid waste for the purpose of collection, recycling, and disposition) and 'secondary waste' (industrial by-products and wastes generated after completion of a manufacturing process that would normally not be reused).

### **QUALITY ASSURANCE**

The State reserves the right to periodically test products which have been received to verify compliance with specifications. If laboratory analysis shows that the product does not meet specifications or fails to perform satisfactorily at any time, the Contractor shall be responsible for:

1. All costs of testing and laboratory analysis.

2. Disposal and/or replacement of all products which fail to meet specifications.
3. All costs of repair and/or replacement of equipment deemed to have been damaged by substandard products as determined by the State.

**SPECIFICATIONS**

Definite Specifications - All commodities and services to be furnished thereunder shall conform to the specifications as noted in this Contract and/or copies of specifications attached.

**PRICE**

Prices quoted are the maximum for a period of 365 days from date [contract](#) becomes effective.

Prices may be subject to revision at the end of each 365 day period if there are changes in the general industry. Revisions may be either increases or decreases and may be requested by either party. Evidence of general industry changes, such as revised printed price lists or notices, and evidence that the change actually affected the Contractor's costs for materials must accompany the request. The prices quoted shall be firm for 365 days. Requests for price changes shall be received in writing at least thirty (30) days prior to their effective date and are subject to written acceptance before becoming effective. If proposed prices are not acceptable to either party, the [contract](#) may be cancelled. The Contractor remains responsible for performing according to the [contract](#) terms at the [contract](#) price for all orders received before price revisions are approved or before the [contract](#) is cancelled.

The postmark date on the [Contract](#) Release will determine prices to be charged on orders (requesting a single shipment to be delivered prior to the effective date of the price revision) which may already be in transit to the Contractor prior to the new price implementation date. Orders issued by agencies requesting multiple deliveries, over a specified period of time, which may overlap two price periods, shall reflect the current price at the time of delivery.

**INVOICING**

The contractor shall submit two (2) copies of the invoice; one (1) copy to the "Bill To" address, and one (1) copy to the "Ship To" address.

**MINIMUM ORDER**

The minimum order is [\\$250.00](#). If the bidder's minimum order requirement is less than [\\$250.00](#), that minimum, which will become the minimum order if a [contract](#) is awarded to the bidder, shall be indicated in the space provided on the attached Item Listing.

Also, please indicate in the space provided on the attached Item Listing any additional charge (handling fee) to be applicable on orders under [\\$250.00](#), or under the bidder's minimum order requirement indicated on the attached Item Listing.

**FREIGHT CHARGES**

Should an agency order below the minimum requirements, one of the following carriers must be used by the vendor for shipping products. Orders being shipped from or to the **State of Michigan or the States of Illinois, Indiana, Ohio and Wisconsin, use ALVAN MOTOR FREIGHT, (Tel: (800) 632-4172, ATTN: EARL BATENBURG.** Orders being shipped from or to **ALL OTHER STATES, use ROADWAY EXPRESS, INC., Tel: (800) 253-3193; ATTN: DAVID LEWIS.**

Either the United States Postal Service or the United Parcel Service (UPS) must be used in instances where the weight of the shipment is less than 150 lbs., or where shipments could be separated into smaller parcels such as three (3) 50 lb. packages. Also if the shipment weighs less than 150 lbs. but costs \$3000 or more, it must be sent by the appropriate carrier listed above. **NOTE: FOR PACKAGES WEIGHING 13 OUNCES OR UNDER, THE POSTAL SERVICE IS MORE ECONOMICAL TO USE.**

If the Vendor/Contractor fails to follow these shipping instructions, the State shall pay the carrier used and deduct the difference from the Contractor's invoice for the amount which was charged and the amount which would have been charged if the requested carrier had been used.

### **F.O.B. POINT**

Prices shall be quoted "F.O.B. Delivered" with transportation charges prepaid on all orders of \$250.00 or more or on all orders totaling or in excess of the bidder's minimum order requirement stated on the Item Listing.

### **DELIVERY**

All orders shall be delivered within seven (7) calendar days after receipt of order

### **TAXES**

The State of Michigan is exempt from Federal Excise Tax, State or Local Sales Tax. Bid prices shall not include such taxes. Exemption Certificates for Federal Excise Tax will be furnished upon request.

### **PACKAGING**

Packaging and containers, etc., shall be in accordance with supplier's commercial practice and shall meet the requirements of Department of Transportation (D.O.T.) and rail and motor carrier freight classifications in effect at time of shipment, which will permit application of the lowest freight rate.

Unless otherwise specifically noted in this contract, the cost of all reels, drums, pallets and containers shall be included in the bid price, and become the property of the State of Michigan. Charges for returnable shipping containers shall be stated in the bid, together with return instructions for shipment to Contractor's plant, transportation charges "collect."

All cartons and boxes shall have the N.I.G.P. code stamped in a visible location on the exterior of the carton or box. Material Safety Data Sheets shall accompany all applicable shipments.

**PLASTIC BOTTLES AND CONTAINERS**

All plastic bottles with a capacity of 16 ounces or more and all plastic containers with a capacity of 8 ounces or more shall have a label indicating the plastic resin used in the product. The label code shall be done in compliance with Act No. 415 of the Public Acts of 1988, as amended, being 324.16101 to 324.16104 of the Michigan Compiled Laws.

**PALLETIZING**

Shipments may be requested as palletized deliveries; and if requested, shall conform to the following:

- Manufacturers standard 4-way shipping pallets are acceptable.
- Maximum height: 5'6"; including pallet.
- Maximum weight: 3500 pounds; including pallet.
- Pallets are to be securely banded or shrink-wrapped.
- The cost of palletizing must be included in the unit price.

**METHOD OF AWARD**

The State reserves the right to award by item, part or portion of an item, group of items, region or total proposal. The State further reserves the right to reject any or all bids in whole or in part, and to waive any informality or technical defects, if it is determined by the State Purchasing Director that the best interest of the State will be served by doing so. In determining an award, qualifications of the bidder, conformity with specification of goods and/or services to be supplied, cost, and delivery terms will be considered.

**ADDITIONAL PRODUCTS**

The State reserves the right to add an item(s) that is not described on the item listing and is available from the [contract](#) vendor. The item(s) may be included on the [contract](#), only if prior written approval has been granted by the Office of Purchasing.

**INDEMNIFICATION****1. General Indemnification**

The Contractor shall indemnify, defend and hold harmless the State, its departments, divisions, agencies, sections commissions, officers, employees and agents, from and against all losses, liabilities, penalties, fines, damages and claims (including taxes), and all related costs and expenses (including reasonable attorneys' fees and disbursements and costs of investigation, litigation, settlement, judgments, interest and penalties), arising from or in connection with any of the following:

- (a) any claim, demand, action, citation or legal proceeding against the State, its employees and agents arising out of or resulting from (1) the product provided or (2) performance of the work, duties, responsibilities, actions or omissions of the Contractor or any of its subcontractors under this contract.
- (b) any claim, demand, action, citation or legal proceeding against the State, its employees and agents arising out of or resulting from a breach by the Contractor of any representation or warranty made by the Contractor in the contract;
- (c) any claim, demand, action citation, or legal proceeding against the State, its employees and agents arising out of related to occurrences that the Contractor is required to insure against as provided for in this contract;
- (d) any claim, demand, action, citation or legal proceeding against the State, its employees and agents arising out of or resulting from the death or bodily injury of any person, or the damage, loss or destruction of any real or tangible personal property, in connection with the performance of services by the Contractor, by any of its subcontractors, by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable; provided, however, that this indemnification obligation shall not apply to the extent, if any, that such death, bodily injury or property damage is caused solely by the negligence or reckless or intentional wrongful conduct of the State;
- (e) any claim, demand, action, citation or legal proceeding against the State, its employees and agents which results from an act or omission of the Contractor or any of its subcontractors in its or their capacity as an employer of a person.

## 2. Patent/Copyright Infringement Indemnification

The Contractor shall indemnify, defend and hold harmless the State, its departments, divisions, agencies, sections, commissions, officers, employees and agents from and against all losses, liabilities, penalties, fines, damages (including taxes), and all related costs and expenses (including reasonable attorney's fees and disbursements, costs of investigation, litigation, settlement, judgments, interest and penalties) incurred in connection with any action or proceeding threatened or brought against the State to the extent that such action or proceeding is based on a claim that any piece of equipment, software, commodity or service supplied by the Contractor or its subcontractors, or the operation of such equipment, software, commodity or service, or the use or reproduction of any documentation provided with such equipment, software, commodity or service infringes any United States or foreign patent, copyright, trade secret or other proprietary right of any person or entity, which right is enforceable under the laws of the United States. In addition, should the equipment, software, commodity, or service, or the operation thereof, become or in the Contractor's opinion be likely to become the subject of a claim of infringement, the Contractor shall at the Contractor's sole expense (i) procure for

the State the right to continue using the equipment, software, commodity or service or, if such option is not reasonably available to the Contractor, (ii) replace or modify the same with equipment, software, commodity or service of equivalent function and performance so that it becomes non-infringing, or, if such option is not reasonably available to Contractor, (iii) accept its return by the State with appropriate credits to the State against the Contractor's charges and reimburse the State for any losses or costs incurred as a consequence of the State ceasing its use and returning it.

### 3. Indemnification Obligation Not Limited

In any and all claims against the State Of Michigan, or any of its departments, divisions, agencies, sections, commissions, officers, employees and agents, by any employee of the Contractor or any of its subcontractors, the indemnification obligation under the contract shall not be limited in any way by the amount or type of damages, compensation or benefits payable by or for the Contractor or any of its benefits acts. This indemnification clause is intended to be comprehensive, Any overlap in subclauses, or the fact that greater specificity is provided as to some categories of risk, is not intended to limit the scope of indemnification under any other subclause.

### 4. Continuation of Indemnification Obligation

The duty to indemnify will continue in full force and effect notwithstanding the expiration or early termination of the contract with respect to any claims based on facts or conditions which occurred prior to termination.

## **CONTRACTOR'S LIABILITY INSURANCE**

The Contractor shall purchase and maintain such insurance as will protect him from claims set forth below which may arise out of or result from the Contractor's operations under the [Contract](#) (Purchase Order), whether such operations be by himself or by any Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

- (1) Claims under workers' compensation, disability benefit and other similar employee benefit act. A non-resident Contractor shall have insurance for benefits payable under Michigan's Workers' Compensation Law for any employee resident of and hired in Michigan; and as respects any other employee protected by workers' compensation laws of any other State the Contractor shall have insurance or participate in a mandatory State fund to cover the benefits payable to any such employee.
- (2) Claims for damages because of bodily injury, occupational sickness or disease, or death of his employees.
- (3) Claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees, subject to limits of liability of not less than \$300,000 each occurrence and, when applicable \$300,000 annual aggregate, for non-automobile hazards and as required by law for automobile hazards.

- (4) Claims for damages because of injury to or destruction of tangible property, including loss of use resulting therefrom, subject to a limit of liability of not less than \$50,000 each occurrence for non-automobile hazards and as required by law for automobile hazards.
- (5) Insurance for Subparagraphs (3) and (4) non-automobile hazards on a combined single limit of liability basis shall not be less than \$300,000 each occurrence and when applicable, \$300,000 annual aggregate.

The insurance shall be written for not less than any limits of liability herein specified or required by law, whichever is greater, and shall include contractual liability insurance as applicable to the Contractor's obligations under the Indemnification clause of the [Contract](#) (Purchase Order).

**BEFORE STARTING WORK THE CONTRACTOR MUST FURNISH TO THE OFFICE OF PURCHASING, CERTIFICATE(S) OF INSURANCE VERIFYING LIABILITY COVERAGE. THE [CONTRACT](#) OR PURCHASE ORDER NO. MUST BE SHOWN ON THE CERTIFICATE OF INSURANCE TO ASSURE CORRECT FILING.** These Certificates shall contain a provision that coverage afforded under the policies will not be cancelled until at least fifteen days prior written notice bearing the [Contract No.](#) or Purchase Order No. has been given to the Director of Purchasing.

### **CONTRACT DISTRIBUTION**

The Office of Purchasing shall retain the sole right of [contract](#) distribution to all State agencies and local units of government unless other arrangements are authorized by the purchasing office.

### **ACCOUNTING RECORDS**

The Contractor and all subcontractors shall maintain all pertinent financial and accounting records and evidence pertaining to the [contract](#) in accordance with generally accepted principles of accounting and other procedures specified by the State of Michigan. Financial and accounting records shall be made available, upon request, to the State of Michigan, its designees, or the Michigan Department of Auditor General at any time during the [contract](#) period and any extension thereof, and for three years from expiration date and final payment on the [contract](#) or extension thereof.

### **NON-DISCRIMINATION CLAUSE**

In the performance of any contract or purchase order resulting herefrom, the bidder agrees not to discriminate against any employee or applicant for employment, with respect to their hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, national origin, ancestry, age, sex, height, weight, marital status, physical or mental disability unrelated to the individual's ability to perform the duties of the particular job or position. The bidder further agrees that every subcontract entered into for the

performance of any contract or purchase order resulting herefrom will contain a provision requiring non-discrimination in employment, as herein specified, binding upon each subcontractor. This covenant is required pursuant to the Elliot Larsen Civil Rights Act, 1976 Public Act 453, as amended, MCL 37.2201, *et seq*, and the Persons with Disabilities Civil Rights Act, 1976 Public Act 220, as amended, MCL 37.1101, *et seq*, and any breach thereof may be regarded as a material breach of the contract or purchase order.

**UNFAIR LABOR PRACTICES**

Pursuant to 1980 Public Act 278, as amended, MCL 423.231, et seq, the State shall not award a contract or subcontract to an employer whose name appears in the current register of employers failing to correct an unfair labor practice compiled pursuant to Section 2 of the Act. A Contractor of the State, in relation to the contract, shall not enter into a contract with a subcontractor, manufacturer, or supplier whose name appears in this register. Pursuant to Section 4 of 1980 Public Act 278, MCL 423.324, the State may void any contract if, subsequent to award of the contract, the name of the Contractor as an employer, or the name of the subcontractor, manufacturer or supplier of the Contractor appears in the register.

**USAGE REPORTING**

The Contractor may be required to report the contract usage by Michigan Department of Transportation and/or local units of government. Such usage shall be reported quarterly and by item to the buyer in the Office of Purchasing, Department of Management and Budget.

**YEAR 2000 COMPLIANCE**

The Contractor warrants that all software for which the Contractor either sells or licenses to the State of Michigan and used by the State prior to, during, or after the calendar year 2000, includes or shall include, at no added cost to the State, design and performance so the State shall not experience software abnormality and/or the generation of incorrect results from the software, due to date oriented processing, in the operation of the business of the State of Michigan.

The software design, to insure year 2000 compatibility, shall include, but is not limited to: data structures (databases, data files, etc.) that provide 4-digit date century; stored data that contain date century recognition, including, but not limited to, data stored in databases and hardware device internal and all processing actions that use or produce date values that accommodates same century and multi-century formulas and date values: interfaces that supply data to and receive data from other systems or organizations that prevent non-compliant dates and data from entering any State system: user interfaces (i.e., screens, reports, etc.) that accurately show 4 digit years: and assurance that the year 2000 shall be correctly treated as a leap year within all calculation and calendar logic.

**CANCELLATION**

- (a) The State may cancel the contract for default of the Contractor. Default is defined as the failure of the Contractor to fulfill the obligations of the quotation or contract. In case of default by the Contractor, the State may immediately and/or upon 30 days prior written notice to the Contractor cancel the contract without further liability to the State, its departments, divisions, agencies, sections, commissions, officers, agents and employees, and procure the services from other sources, and hold the Contractor responsible for any excess costs occasioned thereby.

- (b) The State may cancel the contract in the event the State no longer needs the services or products specified in the contract, or in the event program changes, changes in laws, rules or regulations, relocation of offices occur, or the State determines that statewide implementation of the contract is not feasible, or if prices for additional services requested by the State are not acceptable to the State. The State may cancel the contract without further liability to the State, its departments, divisions, agencies, sections, commissions, officers, agents and employees by giving the Contractor written notice of such cancellation 30 days prior to the date of cancellation.
- (c) The State may cancel the contract for lack of funding. The Contractor acknowledges that, if this contract extends for several fiscal years, continuation of this contract is subject to appropriation of funds for this project. If funds to enable the State to effect continued payment under this contract are not appropriated or otherwise made available, the State shall have the right to terminate this contract without penalty at the end of the last period for which funds have been appropriated or otherwise made available by giving written notice of termination to the Contractor. The State shall give the Contractor written notice of such non-appropriation within 30 days after it receives notice of such non-appropriation.
- (d) The State may immediately cancel the contract without further liability to the State its departments, divisions, agencies, sections, commissions, officers, agents and employees if the Contractor, an officer of the Contractor, or an owner of a 25% or greater share of the Contractor, is convicted of a criminal offense incident to the application for or performance of a State, public or private contract or subcontract; or convicted of a criminal offense including but not limited to any of the following: embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, attempting to influence a public employee to breach the ethical conduct standards for State of Michigan employees; convicted under State or federal antitrust statutes; or convicted of any other criminal offense which in the sole discretion of the State, reflects on the Contractor's business integrity.
- (e) The State may immediately cancel the contract in whole or in part by giving notice of termination to the Contractor if any final administrative or judicial decision or adjudication disapproves a previously approved request for purchase of personal services pursuant to Constitution 1963, Article 11, Section 5, and Civil Service Rule 4-6.
- (f) The State may, with 30 days written notice to the Contractor, cancel the contract in the event prices proposed for contract modification/extension are unacceptable to the State.

**RIGHT TO KNOW ACT (Act 80 of 1986)**

The "Right to Know Act" is intended to provide protection and information to employees who encounter hazardous substances in the workplace. To comply with this act, it is necessary that you fulfill the following:

Labels on all incoming containers of hazardous chemicals must (1) clearly State the identity of the contents, (2) display appropriate hazard warning(s), (3) include first aid information, and (4) list the name and address of the chemical manufacturer, importer, or other responsible party.

This document must be included with shipment of chemical or hazardous material to the receiving State agency. It is necessary to send this document only on the first shipment for each chemical formulation or hazardous material ordered by a specific agency except when there has been a change in the formulation of the specified chemical or hazardous material, in which case, a revised material safety data sheet shall accompany the first shipment of the changed formulation. It is the responsibility of the shipping vendor to maintain this record. The receiving agency will not accept first shipment unless the above is complied with. It is recommended that OSHA Material Safety Data Sheet No. 174 be used.

### **NON-STATE AGENCY REQUIREMENTS**

Act Number 431 of the Public Acts of 1984 permits the State of Michigan, Department of Management and Budget, to provide purchasing services to any city, village, county, township, school district, intermediate school district, non-profit hospital, institution of higher education, community, or junior college. The bidder is requested to complete the attached "Non-State Agency Statement" to indicate a willingness to supply commodities to these authorized local units of government, school districts, etc. as well as the State departments and agencies. A listing of approved program members will be included.

Inasmuch as these are non-State agencies, all invoices will be submitted to and payment remitted by the local unit of government on a direct and individual basis. Orders received from non-approved local units of government shall not be considered unless prior approval is granted by DMB-Office of Purchasing.

The terms and conditions require a minimum order of [\\$250.00](#).
