JAMIE CLOVER ADAMS
DIRECTOR

EQUINE PIROPLASMOSIS

(June 26, 2012)

STATES WITH EQUINE PIROPLASMOSIS CASES IN PAST 12 MONTHS (as of 6/1/12)

Horses and other equidae coming into Michigan from any of the following states must have a health certificate that includes the health statement shown below. (Testing no longer required.)

STATE	12 MONTH EXPIRATION DATE
Arizona	June 2013
Florida	June 2013
Illinois	September 2012
South Carolina	January 2013
Texas	June 2013

Expiration dates in effect unless additional positive cases are identified in the state in the meantime. Call 517-335-5713 for current information.

Health certificate MUST INCLUDE the following statement.

"I have examined the animal(s) listed on this certificate. At the time of the examination, the animal(s) listed on this certificate is/are not under quarantine for piroplasmosis, not displaying signs of piroplasmosis, and either did not have evidence of live ticks or was/were successfully treated for ticks if ticks were present."

If you have any questions or need current information please contact Chris DeVriendt at (517) 335-5713.
