Dear Ms. Hennessey:

ABN AMRO Services Company, Inc. ("Company") has announced plans to restructure technology infrastructure operations, and this will affect the facility located at 2600 W. Big Beaver Road in Troy, Michigan. We anticipate that these plans will result in approximately 48 employees at this location being separated from employment with the Company. It is expected that a majority of affected employees will be offered the opportunity to become employees of the IBM organization, which will assume responsibility for these functions. The first separations (and transitions) are planned to occur on October 31, 2005, or in the 14-day period beginning on that date.

This letter is not an admission that these actions constitute a covered event under any notice laws. In any event, however, this form of notice is provided for at 20 C.F.R. §639.7(f) of the federal WARN Act regulations.

If you have any questions or desire additional information, please contact Nancy Nottoli at (312) 904-5147.

Very truly yours,

ABN AMRO Services Company, Inc.
