NOTICE OF PLANT CLOSING

PURSUANT TO THE
WORKER ADJUSTMENT AND RETRAINING NOTIFICATION ACT
FOR MANUFACTURERS PRODUCTS COMPANY
26020 SHERWOOD AVENUE, WARREN, MICHIGAN 48091

In accordance with the provisions of the Worker Adjustment and Retraining Notification Act, you are hereby notified that Manufacturers Products Company ("MPC") plans to discontinue its entire operations at its Warren facility.

Pursuant to the terms of various agreements with MPC's Customers and Lender, the Customers are authorized to begin resourcing work effective immediately. While no exact date has been established for this closure, it is anticipated that the first employees will be permanently laid off due to this plant closing on or after March 1, 2006, and the remainder of the employees will be laid off on or after March 31, 2006.

Upon the resourcing of the Customers' work, the plant will be permanently closed. All workers will be affected.

To the extent the lay offs occur before the expiration of 60 days from the date of this Notice, the company relies upon the Faltering Company exception to the Notice provisions of the Act.

Management will continue to keep you notified of any changes in schedule for the plant closing, or, if negotiations resume for sale as a going concern.
