Instruction for Completing Form 1012, Industrial Facilities Tax Exemption (IFT) Application

The completed original application form 1012 and all required attachments, **MUST** be filed with the clerk of the local unit of government where the facility is or will be located. Complete applications must be received by the State Tax Commission by October 31 to ensure processing and certification for the following tax year. Applications received after the October 31 deadline will be processed as expeditiously as possible.

Please note that attachments listed on the application in number 16a are to be retained by the local unit of government, and attachments listed in number 16b are to be included with the application when forwarding to the State Tax Commission (STC).

(Before commencement of a project the local unit of government must establish a district, or the applicant must request in writing a district be established, in order to qualify for an IFT abatement. Applications and attachments must be received by the local unit of government within six months of commencement of project.)

The following information is required on separate documents attached to form 1012 by the applicant and provided to the local unit of government (city, township or village). (Providing an accurate school district where the facility is located is vital.):

- 1. Legal description of the real property on which the facility is or will be located. Also provide property identification number if available.
- 2. Personal Property Requirements: Complete list of new machinery, equipment, furniture and fixtures which will be used in the facility. The list should include description, **beginning date of installation** or expected installation by **month/day/year**, and costs or expected costs (see sample). Detail listing of machinery and equipment **must match amount shown** on question 6b of the application. Personal property applications must have attached a certified statement/affidavit as proof of the beginning date of installation (see sample).
- 3. Real Property Requirements: Proof of date the construction started (groundbreaking). Applicant must include one of the following if the project has already begun; building permit, footings inspection report, or certified statement/affidavit from contractor indicating exact date of commencement.
- 4. Complete copy of lease agreement as executed, if applicable, verifying lessee (applicant) has direct ad

valorem real and/or personal property tax liability. The applicant must have real and/or personal property tax liability to qualify for an IFT abatement on leased property. If applying for a real property tax exemption on leased property, the lease must run the full length of time the abatement is granted by the local unit of government. Tax liability for leased property should be determined before sending to the STC.

The following information is required of the local unit of government: [Please note that only items 2, 4, 5, 6, & 7 below are forwarded to the State Tax Commission with the application, along with items 2 & 3 from above. The original is required by the STC. The remaining items are to be retained at the local unit of government for future reference. (The local unit must verify that the school district listed on all IFT applications is correct.)

- 1. A copy of the notice to the general public and the certified notice to the property owners concerning the establishment of the district.
- 2. Certified copy of the resolution establishing the Industrial Development District (IDD) or Plant Rehabilitation District (PRD), which includes a legal description of the district (see sample). If the district was not established prior to the commencement of construction, the local unit shall include a certified copy or date stamped copy of the written request to establish the district.
- 3. Copy of the notice and the certified letters to the taxing authorities regarding the hearing to approve the application.
- 4. Certified copy of the resolution approving the application. The resolution must include the number of years the local unit is granting the abatement and the statement "the granting of the Industrial Facilities Exemption Certificate shall not have the effect of substantially impeding the operation of (governmental unit), or impairing the financial soundness of a taxing unit which levies ad valorem property taxes in (governmental unit see sample).
- 5. Letter of Agreement (signed by the local unit of government and the applicant per P.A. 334 of 1993 (see sample)).
- 6. Affidavit of Fees (signed by the local unit of government and the applicant), (Bulletin 3, January 16, 1998). This statement may be

incorporated into the Letter of Agreement (see sample).

7. Treasury Form 3222 (if applicable - Fiscal Statement for Tax Abatement Request.)

The following information is required for rehabilitation applications in addition to the above requirements:

- 1. A listing of existing machinery, equipment, furniture and fixtures which will be replaced or renovated. This listing should include description, beginning date of installation or expected installation by month/day/ year, and costs or expected costs.
- 2. A rehabilitation application must include a statement from the Assessor showing the taxable valuation of the plant rehabilitation district, separately stated for real property (EXCLUDING LAND) and personal property. Attach a statement from the assessor indicating the obsolescence of the property being rehabilitated.

The following information is required for speculative building applications in addition to the above requirements:

- 1. A certified copy of the resolution to establish a speculative building.
- 2. A statement of non-occupancy from the owner and the assessor.
