WIC Policy Table of Contents Comparison
Old Policy to MI-WIC Policy

This table represents a comparison of the old Policy Manual with the new MI-WIC Policy Manual. The old policy manual policies that may now be discarded are represented by ~~strikethrough~~ text. The corresponding new MI-WIC policies that have been approved by USDA and are now to be used by local agencies are **bolded**. The current policies in effect, then, are the bolded MI-WIC policies with an effective date and the bolded current policies. The corresponding Effective Date for each policy is listed in the far right column.
