Dear Mr. Niemela and Mr. Bach:

Subject: Announcement of New Manager in Local Agency Programs

The Michigan Department of Transportation (MDOT) is pleased to announce the appointment of Mr. Larry Doyle, P.E., as the Manager of the Local Agency Programs Section. Larry has been employed with MDOT for nearly eighteen years. He received his Bachelor of Science in Civil Engineering from Michigan State University in 1995 and has been a registered engineer in the State of Michigan since 2000.

Larry started his career with MDOT as a road design engineer and has worked in many other capacities including as a Road Consultant Coordinator, TSC Cost & Scheduling Engineer, TSC Development Engineer, and most recently he has served as the Kalamazoo TSC Manager. Larry is very familiar with packaging projects, including reviewing progress schedules, maintaining traffic, and reviewing project specific special provisions. He is also familiar with 2012 Standard Specifications for Construction and standard plans.

We are confident Larry will excel as Manager of this section. He succeeds Rudy Cadena, P.E., who will be retiring on May 31, 2013. Please do not hesitate to contact Larry at (517) 335-2233 or doylel@michigan.gov with questions or concerns regarding local agency projects.

Sincerely,

Matthew W. DeLong, Administrator
Development Services Division
