

STATE LOAN REPAYMENT PROGRAM SITES OF MICHIGAN

This Site List may not represent all currently approved sites in Michigan; contact the SLRP Manager at 517/241-9946 for the most updated version of this list. If your agency is not on this list, but is a Not-For-Profit primary care agency located in a Health Professional Shortage Area, please contact the SLRP Manager for a Site Application. Sites that are approved for DENTAL or MENTAL HEALTH (MH) are identified accordingly in BOLD type (sites that are approved for medical as well as DENTAL/MH are identified as MED). The column "Estimated Provider(s) Needed" may not accurately reflect current staffing needs- it was an initial estimate of needed providers at the time of site approval or most recent re-certification.
