Dear Ms. Levine,
I am writing to you today to ask that you support changes to Michigan's Qualified Allocation Plan (QAP) that will increase the number of housing units made available to persons with disabilities who are homeless.

In our area there are not many accessible, affordable housing units. Homelessness is increasing here. I feel that it is important that tax credit dollars are dedicated to the creation of units that will assist homeless people — especially those with disabilities.

Thank you,
