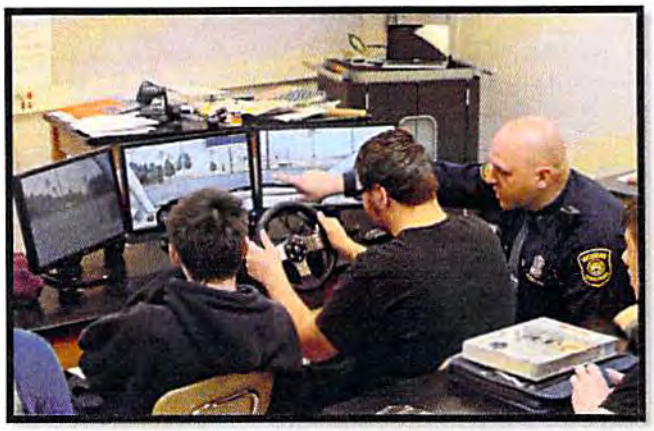
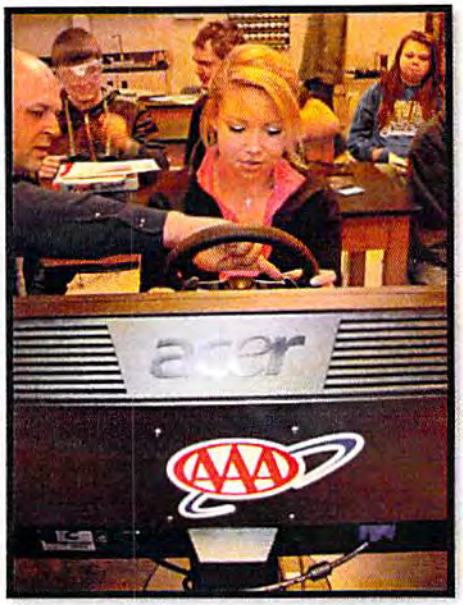
All of the Ford Driving Skills for Life and AAA items listed on page fifteen were used throughout the campaign. Several activities were used with teens of all ages. Letters, brochures, driving games, safety tips were all distributed to our high school students. Great resources!



U txt … Ur nxt!

Students had a blast when Community Officer Trooper Bowman brought the AAA driving simulator to Springport High School so they could test their safe driving skills. The ones that were texting CRASHED!



Top – U txt…Ur nxt! Campaign students hold the banner that all high school teachers and staff signed as they pledged to not text and drive.

Left & Below – Students and staff signed the banner that was then hung in the high school gymnasium and then moved to the high

U txt … Ur nxt!

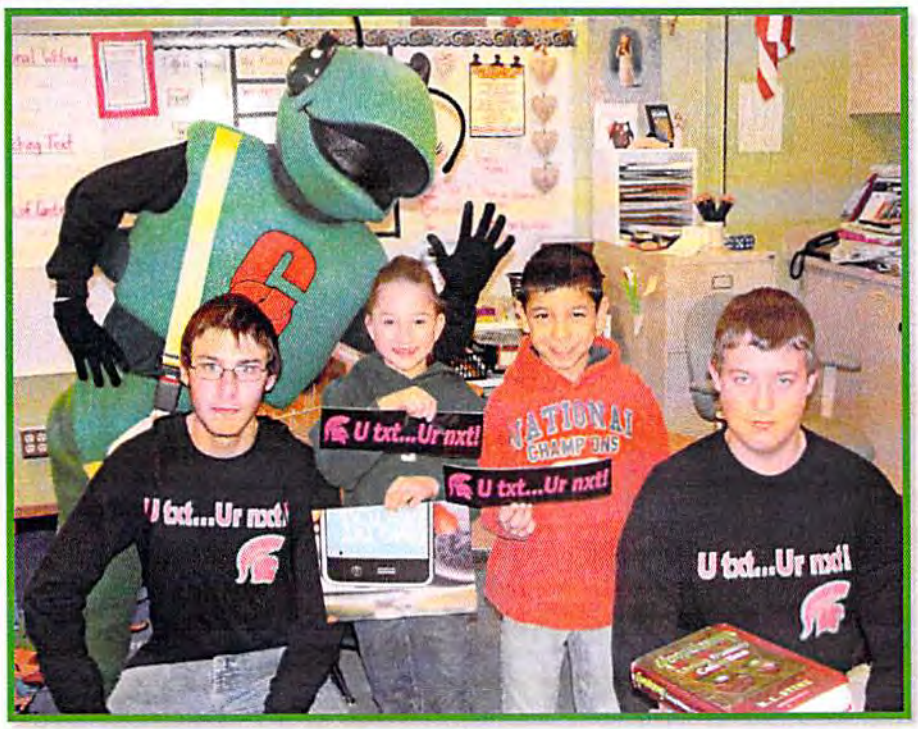
Above – Physics campaign students went around to individual elementary classrooms to explain safe driving practices and hand out souvenirs and materials from the Office of Highway Safety Planning.

Below – Campaign students pose with a 2nd grade class.

Above – Physics student Kenzie Hitt laughs at the response of an elementary student to her seat belt ticket presentation.

Above Right – Sam Wagner explains how schools busses are like traffic signals to elementary students.

Right – Campaign students Walker Piepkow and Anthony Twitchel hand out bumper stickers.



U txt … Ur nxt!

Bottom 3 Pictures – Elementary students receive U txt … Ur nxt! souvenirs from high school physics students.

The Jackson citizen patriot attended our class when Trooper Bowman came to speak to the campaign students. They took notes of some the information shared, took pictures, and wrote an article about it. The article and pictures are below and more information can be looked up using the link to the article posted on Mlive. http://www.mlive.com/news/jackson/index.ssf/2013/02/jackson_county_ranks_high_in_t.html

Mr. Bowman scheduled a follow up visit because he was honored to cooperate with our cause and supported what we were doing. His second visit, he brought in a AAA driving simulation system.
