So Allen Township's Ballot Cast number should be 263 (it is 265 on the report).

Good Morning Amy –
In looking over our reports, we had Allen Township come back in and re-run their ballots. On Election Day, they had 2 jams with the tabulator which made them over 2 at the end of the night. So the correct number is 7520. Let me know if you have any more questions.
Thanks,
Marney

Hi Marney,

The Bureau of Elections received your County Canvass and the Precinct Results. The Poll Book total reported on the canvass is 7520, however the precinct results show 7522. Can you please let me know which is correct. If the Canvass needs to be changed, I will have to do that for you. If the precinct results are incorrect, you will have to let me know where the numbers are off.

Thanks! ☺
