2009 Spring Conference
"Integrating Personal and Professional Ethics with Cultural Considerations"

This workshop focuses on providing attendees with a variety of tools to use when faced with ethical dilemmas in working with customers from various ethnic and cultural backgrounds. Some of the areas that we will focus on include:

- Disclosing information to employers and self disclosure between counselors and customers.
- Aligning personal & cultural values with job expectations.
- Providing resources and information on professional liability and multicultural resources.
