No Public Notices for Air Quality Rules and/or State Implementation Plans

The Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) currently has no open public comment periods for either State Implementation Plan (SIP) documents or Michigan Air Pollution Control Rules packages.

More information on these topics can be found at:

EGLE AQD State Implementation Plan (SIP) and Attainment
EGLE AQD Laws and Rules

EGLE promotes the equitable treatment and meaningful involvement of Michigan's residents regarding the development, implementation, and enforcement of laws, regulations, and policies. Equitable treatment means that no group of people bears a disproportionate share of the negative consequences resulting from governmental, industrial, or commercial operations and policies. Meaningful involvement means all people have an opportunity to participate in decisions that affect their environment and/or health.

EGLE does not discriminate on the basis of race, sex, religion, age, national origin, color, marital status, disability, political beliefs, height, weight, genetic information, or sexual orientation in the administration of any of its programs or activities, and prohibits intimidation and retaliation, as required by applicable laws and regulations.
