SLRP Sites	(32 sites approved FY91-FY94)				48	54	48	55	24	20	8	7	11	4	7	287**

* These site rows below do not add across due to providers who work at more than one site during their contract (major site type shown below).

** This row may not reflect all currently approved sites on the SLRP Sitelist, as sites are periodically removed for a number of reasons (e.g., closed, HPSA lost, moved, etc.).

(Revised September 16, 2005)
