Re: WARN Extension Notice

Dear Ms. Canfora:

On April 3, 2009, Sparton sent out WARN notices to the Jackson Plant employees notifying them that the plant was scheduled to close on June 30, 2009. Due to changes in customer demands and the inability to complete product by June 30, 2009, we must extend the plant closing date to July 31, 2009.

If you need additional information, you may contact me at (517) 796-6994.
