Dear Mary Chartrand,

Enclosed you will find information on recall 06V-496. This recall involves certain Thomas C2 units manufactured from December 21, 2005 through September 4, 2006. The defect involves the school bus stop arm assembly.

Customers involved will be notified directly by Thomas. Customers can contact their dealers to arrange for repairs to be made. After repairs are completed, they will be instructed to complete a postcard verifying that the repair is complete and return it to Thomas.

A printout is enclosed if there are any units in your area involved in this recall. This printout shows the customer (s) name, address, and the Thomas body/VIN number (s) of the unit (s) involved. If there is no printout enclosed, our records indicate that you do not have vehicles in your area involved.

Sincerely,

Tracy Sauerbrey
