## **NOTICE TO HOLDERS**

The Michigan Department of Treasury is undertaking an education and enforcement initiative to improve compliance with the Uniform Unclaimed Property Act (Public Act 29 of 1995). This initiative will include auditing of entities (holders) that have not been filing unclaimed property reports. Entities that voluntarily file past-due reports will not be charged penalty and interest. Unclaimed property audits conducted by the State will focus on holders who have not voluntarily filed reports for the past four years. State-conducted audits will cover the last ten years and holders will be subject to penalties and interest as authorized by the Unclaimed Property Act.

### **HOLDER REPORTING SOFTWARE (HRS)**

HRS is available to assist holders in reporting unclaimed property to State of Michigan. Available at [www.wagers.net/hrs](http://www.wagers.net/hrs), the Web site provides instructions on how to download the software and report in the required format.

### **NEGATIVE REPORTS**

Holders who do not have unclaimed property to remit are **not** required to file a negative report.

### **FILING DEADLINE**

The unclaimed property report is due annually on November 1.

For questions regarding this manual, or the responsibility of a holder of unclaimed property, contact the Unclaimed Property Division (UPD) at (517) 636-5320, or at the following address:

## GENERAL INFORMATION

### How to Use This Manual

This manual has been prepared to help organizations file unclaimed property reports. It does not address legal issues relating to unclaimed property, nor does it describe all types of property that must be reported. However, it will provide instructions for reporting the most common types of unclaimed property.

PLEASE KEEP THIS MANUAL. This manual may be copied for use in an organization.

The manual is divided into three chapters.

Chapter 1	General Information	Gives an overview of unclaimed property reporting
Chapter 2	Reporting Specific Property	Discusses in detail some of the more common types of unclaimed property, as well as any requiring extra care, like securities.
Chapter 3	Preparing Your Report	Gives step-by-step instructions for filing the property report.
Appendix		Various codes, abbreviations, standards and samples.
Forms		Samples of various holder forms.

Thank you for your cooperation and your continued support in our mutual goal to reunite unclaimed property to the rightful owner or heir.

## Reporting Methods

Use one of the following three types of media to report unclaimed property to Michigan.

1. **CD Rom vs. Diskette.** Michigan prefers CD Rom reporting since this electronic media is more durable when mailed. See chapter 3, “Instructions for Reporting on Magnetic Media.”
2. **Paper Reporting.** Use this method **only** if reporting fewer than ten properties for the entity each year. Blank forms provided in this manual may be photocopied. Even if fewer than ten properties to report, UPD encourages holders to report on a diskette or CD Rom. When using any type of commercial software to report, the holder must send the electronic file on a diskette or CD Rom. Paper copies of reports that are not filed on the *Michigan Annual Report of Unclaimed Cash and/or Safe Deposit Boxes* (Form 1223), will not be accepted.

## Frequently Asked Questions

### Who administers the law?

The Michigan State Treasurer is the administrator of the Uniform Unclaimed Property Act and acts as custodian of the property on behalf of the owner.

### Why does Michigan have an unclaimed property law?

Michigan’s Uniform Unclaimed Property Act protects unclaimed property and returns it to its rightful owners or their heirs. The State Treasurer takes custody of the property so the owner may claim it, even if the original holder (like a financial institution) is no longer in business. The law also centralizes the search for lost property. Michigan citizens trying to locate forgotten bank accounts and other property need only look in one place: the UPD of the Michigan Department of Treasury.

### Does the State simply go in and take the money?

No. Unclaimed property is turned over to the State Treasurer, after the following have occurred:

1. There has been no owner-generated activity in the account for a specific amount of time (usually five years).
2. Attempts to contact the owner fail. If these attempts are unsuccessful, the money is turned over to the State Treasurer where the owner or the owner’s heirs may claim it.

### Does a customer have to go to the bank or other business every year to keep the account from becoming dormant?

No. A customer may write or telephone the holder, in most cases, every five years to keep the account from being reported to the State as a dormant account. The holder must maintain records that show how it tracks communications from the customer.

## **Why do companies, banks, and financial institutions have to turn over unclaimed funds to the State Treasurer?**

Holders are required to report and remit accounts or other property that belong to owners who cannot be located, or for whom there is no known address.

The Michigan Uniform Unclaimed Property Acts protects accounts belonging to owners whose whereabouts is unknown. Companies, banks, and other financial institutions identify accounts for which there has not been any owner-generated activity during the applicable dormancy period and the owner has not responded to mail or telephone inquiries.

If the owner does not respond or contact the holder within five years and does not respond to the due diligence notice sent by the holder, the account must be turned over to the State Treasurer. The account is held by the State until the owner or the owner's heirs are located and the funds are claimed.

## **If an owner just lets his or her account “sit” and accumulate interest or dividends, is it considered active?**

No. If interest or dividends are automatically deposited into an account, it is not considered active because there is no customer contact or customer activity. However, if an owner endorses an interest check and deposits the check, this is considered owner-generated activity. There are many ways to keep an account active, including customer contact by mail or telephone (when documented by the holder). In addition, a financial institution or company may cross-reference an inactive account with an active account having the same owner.

## **Must a claimant pay a fee to get his or her money back?**

No. This is a public service provided by the State of Michigan.

## **How can a person search for unclaimed property?**

A person can search for unclaimed property by visiting the Department of Treasury Web site at [www.michigan.gov/treasury](http://www.michigan.gov/treasury) or by calling UPD at (517) 636-5320.

## **Can a holder reimburse a customer or reactivate a customer’s account?**

A bank or any other company may reimburse a customer or reactivate an account even though the money has already been sent to the State Treasurer. If choosing to reinstate an account, substantiated claim may be filed with the UPD and reimbursement issued for the funds. See “Claims Process for Holders” section, Filing for Reimbursements and Refunds, on page 1-8.

### **Will the State return an owner's money after it has already been remitted?**

Yes. Unclaimed property always belongs to the rightful owner. The State Treasurer acts only as a custodian of the funds. No time limit is set for claiming these funds and the State Treasurer never charges an owner or heir for returning the funds. See "Claims Process for Holders" section, on page 1-7.

### **Am I obligated to report and remit unclaimed property to other states?**

Yes. The Supreme Court ruling in *Texas vs. New Jersey* dictates that unclaimed property must be reported and remitted to the state of the owner's last known address. If the owner's last known address is not known, the property must be sent to the holder's state of incorporation.

### **What happens to money that is never claimed by the owner?**

Owners or heirs can always claim their property. There is no time limit for making a claim to the State Treasurer. While the State Treasurer often is successful in reuniting people with their money, many owners are never located.

### **Should an owner hire a fee finder or heir finder?**

UPD encourages owners to contact UPD directly to search for funds before signing a contract with a finder. The UPD will refund only to owners of their heirs.

UPD strongly discourages revealing information about an owner's account to a finder or third-party agent to protect the integrity of the account.

## **Reporting Information and Requirements**

The State of Michigan requires businesses and government agencies who have unclaimed property to remit and file unclaimed property reports annually with the State Treasurer.

All holders remitting property must complete a *Michigan Holder Transmittal Annual Report of Unclaimed Property* (Form 2011). This form provides information to UPD about the holder. It establishes a reporting history and provides information about the report being filed (e.g., amount of report, shares of stock reported). See Chapter 3 for completing form 2011.

### **Reporting Methods**

This manual contains instructions for the use of CD Rom/Diskette, or paper reporting. UPD requires all holders who are reporting ten or more unclaimed property accounts to report on CD Rom/Diskette. Reports **must** be in Michigan's format. Reports received that cannot be processed will be returned to the holder. Reports received in the wrong format will be considered **not** filed timely.

Information from these reports will be used to compile a list of persons who own unclaimed property and to pay claims. The report will be the basis for UPD's advertising and public information campaign to locate missing owners.

### **Report and Remit**

All holders are required to remit the property when they file their reports. The amount on form 2011 must equal the amount of the report. Include a check payable to the "State of Michigan" for the total amount remitted with the report.

### **Negative Reports**

If there is no unclaimed property to remit, it is not necessary to file a report.

### **Notice to Owners-Due Diligence**

Michigan law requires holders to send written notice to owners at their last known address informing them that they hold property subject to being turned over to the State. This requirement only applies if all of the following conditions exist.

1. The address for the owner does not appear to be inaccurate.
2. The property has a value of \$50 or more.
3. The statute of limitation does not bar the claim of the owner.

Notice must be sent not less than 60 days, nor more than 365 days before the filing of the report. See the Appendix for samples of due diligence letters.

### **Mail Not Returned by Post Office**

Mail not returned to holder by the post office does not, by itself, qualify as a contact with the owner or activity on the account. When reviewing records for unclaimed property, look for the last documented communication or other contact with the owner or the last debit or credit generated by the owner on any account. Other methods of verifying the whereabouts of owners are:

1. Cross-referencing records to show that the individuals have other active accounts within the organization.
2. Signed W-9 forms, change of address notices, or other correspondence from customers that prove they are aware the property exists.

## Aggregate Reporting

Holders may report a group of accounts each valued at less than \$50 using one of nine available aggregate codes. List the number of properties for each type of property. Below is an example of the two most commonly used aggregate codes:

15	AC99 (Aggregate Savings Account)		Aggregate Total
10	CK99 (Aggregate Unclaimed Checks)		Aggregate Total

If the account is interest bearing, list all like interest amounts with the applicable property type.

15	AC99 (Savings Account)	Interest 3%	Aggregate Total
15	AC99 (Savings Account)	Interest 4%	Aggregate Total

**Do not** combine different interest rates in the same property type.

However, special rules apply when reporting dividends. See Chapter 2 for reporting securities and securities-related cash.

**Holders are encouraged to provide UPD with the separate detail list of owner names and amount due each owner for the aggregate properties. This will reduce the need for UPD to refer the owner back to the holder for verification.**

## Unknown Owners

For property where the owner is not known, enter “unknown” in the Last Name field. List any descriptive or identifying information in the property description field.

## Consolidated Reports

Michigan does accept consolidated reports. A consolidated report is one that is filed on behalf of more than one legal holder (e.g., a parent company that files one report for itself and a number of subsidiaries).

## Record Keeping

Copies of reports and supporting records must be kept for ten years. Information on the unclaimed property report must be supported by an adequate audit trail.

## Early Reporting

Section 28 of the Unclaimed Property Act allows a holder to report and remit property after two years of dormancy. Refer to the Act for conditions that must be present to remit unclaimed property early.

## **Incomplete Reports**

Check the report before submitting it to ensure all requested information has been provided. An incomplete report is not considered filed timely.

## **Fines and Penalties**

Every holder is required to file and remit property within the time prescribed. Any holder who fails to file a report of unclaimed property is subject to the following fines and penalties as provided in the Uniform Unclaimed Property Act, Public Act 29 of 1995 (Michigan Compiled Laws 567.221 et seq.).

A person who fails to pay or deliver property within the time prescribed by the act shall pay interest at the current monthly rate of one percentage point above the adjusted prime rate, per year, per month, on the property or value of the property, from the date the property should have been delivered.

A person who willfully fails to render any report or perform other duties required under the act shall pay a civil penalty of \$100 for each day the report is withheld, or the duty is not performed, but not more than \$5,000.

A person who willfully fails to pay or deliver property to the administrator, as required under the act, shall pay a civil penalty equal to 25 percent of the value of the property that should have been paid or delivered.

A person who willfully refuses after written demand by the administrator to pay or deliver property to the administrator, as required under the act, is guilty of a misdemeanor and upon conviction may be punished by a fine of not less than \$500, nor more than \$25,000, or imprisonment for not more than six months or both.

The State Treasurer may waive interest and civil fines imposed under the act.

## **Additional Forms**

Blank forms provided with this manual may be photocopied. Forms are also available on the Department of Treasury Web site at [www.michigan.gov/treasury](http://www.michigan.gov/treasury).

## **Claims Process for Holders**

The main objective of UPD is to reunite owners or heirs with their lost or forgotten funds. UPD's goal is to process claims in less than 90 days.

When UPD processes a claim, proof provided by a claimant is compared with owner information and property descriptions provided by the holder. When preparing the report, assume each owner listed is a potential claimant. It is **essential** that all available information that identifies owners and properties is listed on the report. Social Security numbers, last-known address, property descriptions, and account or check numbers are items used to verify ownership during the claim process. Providing this and other descriptive information on your report will reduce the need for UPD to contact the holder for more information during the claim process.

UPD may contact the holder for clarification or more information where ownership of the account is uncertain.

### **Filing for Reimbursement and Refunds**

There are two types of payments UPD will make to holders after unclaimed property has been remitted. The most common type is a reimbursement, the second is a refund.

**Reimbursement.** In this process, a holder decides to pay an owner and then files a claim with UPD for reimbursement. UPD encourages holders to use the reimbursement process for their customers. UPD makes every effort to respond to requests as quickly as possible. The requirements for obtaining reimbursement are:

1. Completing and filing *Michigan Holder Request for Refund* (Form 3165).
2. Attaching proof of payment for each owner paid and listed on the holder reimbursement form (a copy of the cleared item like original cashier's check with the endorsement of the owner or the proof that the account was reactivated).

After UPD receives a reimbursement request and proof of payment to the owner, a refund is mailed to the holder in about two to four weeks.

**Refunds.** Refunds are made when holders overpay on an unclaimed property report. The overpayments are usually due to accounting errors or other mistakes.

To file for a refund, complete a *Michigan Holder Request for Refund* (Form 3165). Provide proof or explanation of how the error was made. A refund will be mailed to a holder in approximately two to four weeks.

### **How an Owner May File a Claim**

If a search for unclaimed property on Treasury's Web site reveals an individual's name or company name or an individual has reason to believe the UPD is holding funds which belong to him or her, the individual should file a "*Unclaimed Property Inquiry*" (Form 3433).

The law requires UPD to verify the claim. The documentation we require varies with the type and amount of property being claimed and whether the claimant is an owner, an heir, or an officer of a company. UPD will research a name and process a claim at no charge for the owner.

Holders are encouraged to reimburse the customer or reactivate an account and file with UPD for a reimbursement. If company policy does not allow this, the customer can be helped by completing *Claim for Refund of Unclaimed Property* (Form 3277). Instruct the customer to mail the claim for to the Michigan Department of Treasury and attach a copy of the customer's Social Security card and current driver's license. More information may be required to prove ownership before a refund will be issued. Included in the forms packet is a *Claim for Refund of Unclaimed Property* (Form 3277), which can be used to help customers file claims.

**Note:** UPD cannot provide personalized claim forms to third parties; UPD must deal directly with the claimant.

### **Recommended Timeline for Unclaimed Property Review**

June 30	Generate reports with parameters that reflect all accounts that are inactive and could be reportable as unclaimed property.
July 15	Prepare and mail due diligence letters to those customers listed as inactive for whom no other active account has been identified.
September 15	Provide a list of customers with whom contact has been lost to the person preparing the report due in November.
October 1	Begin preparing the report.
November 1	Mail report and remittance to the UPD.

## CHAPTER 2

### REPORTING SPECIFIC PROPERTY

#### Uncashed Checks

Most unclaimed property holders have uncashed checks. The period of abandonment for these items varies from one to seven years and begins on the date of the last contact with the payee, which in most cases is the date the check was issued. Reissuing a check does not change the date it should be remitted to the UPD.

The abandonment date of the item is the original date the item was payable to the owner, which in most cases is the date the check was issued.

Below are the property types and dormancy periods which describe the more common types of unclaimed checks. Also included is the additional information the holder should provide in the property description field.

<u>Property Types</u>	<u>Additional Information</u>
Cashiers Check (CK01)(5)	Purchaser's name (list payee name as owner)
Wages, Commissions (MS01, MS02)(1))	Dates of employment
Dividends (SC01 (3), TR02 (5))	Issue name of security
Customer Overpayment (MS05)(5)	Account number
Utility Refunds (UT03)(5)	Service address, account number
Certificate of Deposit (CD) Interest Checks (CK16)(5)	CD account number
Refunds Due (MS11)(5)	Account number
Payments for Goods or Services, Vendor Checks (MS04(5), CK13(5))	Invoice number
Pension Checks (CK11)(5)	Employer name if different from reporting holder
Escrow Accounts Held by Title Company (TR04)(5)	File number, property address
Insurance claim checks (IN01(5), IN02(5))	Claim number, name of insured, policy number (if death benefit, list beneficiary as owner)

## **Property Reported by Financial Institutions**

### **Certificates of Deposit (CDs)**

The dormancy period for a matured CD is five years. The dormancy begins the day after the first maturity of the certificate (i.e., the day after the end of the first term). Thus, CDs must be reported five years from the dates the owners were first able to recover funds without penalties.

### **Automatically Renewable CDs**

An automatically renewable CD is considered unclaimed after 15 years. The 15-year dormancy period begins at the first maturity in the absence of depositor contact. For example, in the absence of depositor contact, the dormancy period of an automatically renewable two-year account issued in April 2006 would begin in April 2008. The account would be renewed every two years until the 15-year dormancy period was reached.

Do not report an account until after the period during which there are owner penalties for early withdrawal has expired. If an owner contact is established during renewal term, the dormancy period will run from the date of such contact.

### **IRAs and Keoghs**

An IRA (Individual Retirement Account) account or Keogh plan becomes inactive under the terms of the account or plan. If the plan or account requires a distribution at a certain point in time, then the five-year dormancy period begins at that point.

### **Custodian Accounts**

Accounts held in trust for a minor or accounts opened under the Uniform Gift to Minors Act (MCL 554.451 et seq.) are considered unclaimed after 15 years. Also see “Personal Trust Property” below.

**Remember:** If deposit owners have other active accounts with a financial institution, or the financial institution has other contact with deposit owners, the inactive accounts may not be reported or remitted.

### **Personal Trust Property**

Remember to list beneficiaries of trusts as primary owners. The parents should be listed as additional owners for accounts held under the Uniform Gift to Minors Act. Dormancy period varies with type of property.

If trust properties being held are securities related, see page 2-5 for reporting securities. Report any personal trust properties that are not securities related the same way as other properties.

## **Corporate Trust Property and Paying Agent Accounts**

Corporate trust property and paying agents accounts are considered unclaimed after three years. File separate reports for each issue of stock and provide each issuing company's federal employee identification number (FEIN). This requirement does not apply to bearer bonds.

Follow all other requirements for reporting securities-related property. See page 2-5 for reporting securities.

## **Unclaimed Loan Collateral**

Unclaimed loan collateral is considered unclaimed after five years. This period begins on the date the loan was paid in full. There are three criteria for collateral to be reported as unclaimed:

1. The loan has been paid in full or charged off.
2. There has been no customer contact for five years.
3. The owner's whereabouts are unknown.

When reporting unclaimed loan collateral use of one of two property type codes. For tangible property set aside for a loan, use property type code "SD03." Examples of tangible property are jewelry, stock certificates, deeds, etc. See page 2-8 for reporting safe deposit or safekeeping property.

Code loan collateral reported as cash with a property type code "MS13." Examples of cash loan collateral are savings accounts and CDs. When reporting this type of property, the following information is required:

1. Collateral receipt number
2. Loan number
3. Description of collateral (e.g., issuing bank and the number of the CD; bank name and account number for the bank account).

The owner of the property is the person or entity who pledged the loan. If the loan was in the name of a person or entity other than the owner of the collateral, enter the loan name in the description field of the report.

## **Property Reported by a Court, Governmental Agency, or Public Corporation or Authority**

The dormancy period is one year for any type of unclaimed property held by a court, state, or other government, governmental subdivision or agency, public corporation, or public authority. This includes bonds issued by government agencies and entities. Unclaimed child support payments reported by county Friend of the Court offices should be reported using property type code "CT06."

## Escrow Funds Reported by Title Companies

Escrow accounts are considered unclaimed after five years.

Escrow balances include accounts where money is held because of the nonperformance of the conditions of the escrow agreement. In transactions involving earnest money, both the buyer and seller have an undivided interest in the entire amount. Both the buyer and seller are considered the owners and both should be listed on the report. Report the person who placed the money in escrow, usually the buyer, as primary owner; list the other parties as additional owners.

If the contract stipulates that the seller may claim the funds under specific conditions and documenting evidence in your file indicates that those conditions exist, the seller is considered the owner and is listed on the report. The buyer is not considered an owner in this instance.

If you have contact with one party, but a release cannot be secured from the other party, report the funds five years from the date of last contact with the missing party or date of scheduled closing.

### Other Escrow Funds

Report amounts placed in escrow at closing in the name of the party who provided the funds. For example, part of a seller's payoff is held to ensure all taxes are paid and repairs are complete. Once these conditions are met, if the funds remain unclaimed, report the seller's name as the owner of the funds. The buyer is not entitled to the funds.

Report escrow funds using code "TR04."

## Insurance-Related Property

Insurance-related property is considered unclaimed after five years. Unclaimed properties must be assigned property type codes reported. The choice of codes is important because it determines what kind of information will be required from claimants. Review the following list to determine which code to use. Each property type describes what information is required when remitting these funds.

<u>Code</u>	<u>Description</u>
<b>IN01</b>	Individual policy benefits or claim payments. Provide name of insured, policy number, and claim number if applicable.
<b>IN02</b>	Group policy benefits or claim payments excluding death benefits. Provide employer names and policy numbers and claim numbers if applicable.
<b>IN03</b>	Death benefits on individual or group policies. Provide policy number and name of insured claim number if applicable; dates of birth of insured if known.
<b>IN04</b>	Proceeds from matured policies, endowments, or annuities. Provide policy number and name of insured.

- IN05** Premium refunds on individual policies. Provide policy number and name of insured.
- IN06** Unidentified remittance or premium payments. Provide any information available; report owner's name as "unknown."
- IN07** Other amounts due under policy terms. All other insurance-related property not described above. Provide a complete description of the property.
- IN08** Agent credit balances. Provide Social Security number of agent and dates of employment.
- IN99** Aggregate properties under \$50.

## Reporting State of Michigan Property

If the owner of the property is listed as a Michigan State agency (e.g., Department of Transportation), enter the owner name as "State of Michigan," then enter the agency name (e.g., Transportation, Attorney General, etc.).

## Securities and Securities-Related Cash

CD Rom/Diskette reporting is the best media to select if securities or securities-related cash is being reported. See Chapter 3 "Preparing Your Report." Instructions for Reporting on Magnetic Media.

If paper reports are filed, complete the *Report of Unclaimed Securities* (Form 3164) and/or *Annual Report of Unclaimed Cash and Safe Deposit Boxes* (Form 1223). Instructions for completing the forms are in Chapter 3.

## General Rules for Reporting

Regardless of the media selected for reporting securities-related property, observe the following rules:

1. Provide each issue's Committee on Uniform Securities Identification Procedures (CUSIP) number.
2. List minor children as primary owners of properties on Uniform Gift to Minors Act (UGMA) accounts. List the trustee/custodians as additional owners.
3. List owners who are owned more than one amount of the same property type only once (e.g., four quarterly dividend payments). Combine all the amounts due the owner during the applicable reporting period into one total. Provide the ending date through which the amounts were payable. **Do not** report dividends in aggregate.

4. If reporting bearer bonds or unclaimed interest on the bonds, list the owners of the properties “as unknown.” Provide complete descriptions of the bonds in the applicable fields or boxes. Descriptions must include the issue name, series, bond number, and all outstanding coupon numbers.
5. If reporting dividends received in nominee name, list the stock issues in the description fields or boxes. List the nominee name as the owner of the property.
6. Provide the amounts and issue names of any outstanding shares (e.g., still in the possession of the shareholders) when reporting underlying, unexchanged, unredeemed, or unsurrendered shares.
7. If remitting underlying shares or undelivered shares returned by the post office (RPO shares), or both, combine all shares of the same issue and class. The report, however, must reflect the number of underlying shares and the number of shares which are RPO for each of the owners.

### **Determining What Property to Report**

The dormancy period for stock and dividends has been reduced to three years. The shares of stock should be escheated if the following two conditions apply:

1. The shareholder, for more than three years, has not claimed a dividend, distribution, or other sum payable, or has not communicated in writing with the holder.
2. The holder does not know the location of the shareholder at the end of the three-year period.

The return of official shareholder notifications or communications by the postal service as undeliverable is evidence the holder does not know the location of the shareholder.

At the time the shares of stock are escheated, any dividend, distribution, or other sum held for or owing to the shareholder should also be escheated.

### **Property Type Codes and Property Descriptions**

Assign a property type code to each property listed on your report. The choice of codes is important because it determines what kind of information we require of a claimant. Descriptions of some of the more frequently used codes are below. See Appendix A for a complete list.

<u>Code</u>	<u>Securities-Related CASH Code Description</u>
<b>SC01</b>	Cash dividends. Include the issue name of the security in the Description field.
<b>SC02</b>	Registered bond interest due an owner of a registered corporate security. <b>Do not</b> use this code to report interest paid on a bearer bond.
<b>SC03</b>	Registered bond principal due an owner of a corporate-issued bond.

- SC07** Municipal bond interest and matured principal. List the owner as “unknown,” if reporting a bearer bond. Provide a complete description, including issue name, series, bond number, and all outstanding coupon numbers. Also provide the total cash amount of unclaimed interest and principal in the Cash Amount Remitted field.
- SC09** Cash for fractional shares. Provide the issue name of the security in the Description field or box. **Do not** report liquidation proceeds under this code. Use the “SC13” code for liquidation proceeds.
- SC13** Liquidation or redemption proceeds (cash only). List the issue name of the liquidated security and number of shares presumed to be in the possession of the shareholder in the Description field. **Do not** complete the Shares Remitted field. Provide the total cash amount due each shareholder in the Cash Amount Remitted field.
- SC20** Credit balances due missing owners.

### Stock and Bond Codes

<u>Code</u>	<u>Description</u>
<b>SC08</b>	Undelivered shares that are returned by the post office (RPO shares). These shares are normally the result of a stock split or stock dividend. Include the issue name of the security in the Description field.
<b>SC10</b>	Unexchanged shares resulting from a merger or buy-out. Provide the number of shares of the successor corporation in the Shares Remitted field. These are the shares that will be remitted to UPD with the report. Indicate the issue name of the successor corporation’s stock and the unexchanged stock in the Description field.
	<b>Example:</b> XYZ Corporation merged into ABC Corporation.
	One share of XYZ is exchangeable for ¼ share of ABC.
	An owner fails to exchange 100 shares of XYZ.
	The 25 shares of ABC (unexchanged) are outstanding and presumed to be in the possession of the owner.
	If there is a claim. UPD will request the 100 unexchanged shares of XYZ from the owner before releasing the 25 shares of ABC.
<b>SC12</b>	Underlying shares. The shares are presumed to be in the possession of the shareholder. The certificates must be canceled on the books of the issuer and reissued to the State Treasurer. Provide the issue name and number of underlying shares held by the owner. Report all cash and stock dividends payable on the underlying shares as of the date of remittance.

## **Securities Registration and Mailing Instruction/Guidelines for all Holders Reporting Securities**

It is very important that these instructions are followed when submitting a report and securities to UPD so receipt can be verified.

Although the securities will be transferred to a different location, they must be transferred at the same time the report and cash are mailed to UPD.

### **Stocks**

A DTC (Depository Trust Company) transfer is required for delivering all DTC-eligible securities. A DTC transfer is performed by depositing shares to DTC 0954 for credit to account AUZF0241702, Agent Bank 26017. Where a security is not DTC-eligible and physical certificates are being delivered, the stock certificates must be registered in the State of Michigan's nominee name of "Spartans & Co.," Tax ID number 30-0187543.

At least one day in advance of a DTC deposit, fax the following information concerning the deposit to (617) 722-9660, Attn: Custody Department. Questions can be directed to the State Client Liaison at (617) 722-9674.

## **Mutual Fund Shares, Distributions and Checks**

CD Rom/Diskette reporting is the best media to select if securities or securities-related cash are being reported. See Chapter 3, “Preparing Your Report,” Instructions for Reporting on Magnetic Media.

If paper reports are filed, complete the *Report of Unclaimed Securities* (Form 3164) and/or *Annual Report of Unclaimed Cash and Safe Deposit Boxes* (Form 1223). Instructions for completing the forms are included in Chapter 3.

**SC16** Mutual Fund Shares  
**SC01** Dividends

## **Identifying Unclaimed Shares**

The dormancy period begins when either a sum payable is unclaimed or the first time a piece of mail is returned by the post office (RPO). Determine the date of the first RPO event and use this date. Note this may be different than what is on the holder’s information system. At the time the shares become unclaimed, the entire account and any cash proceeds due the owner are also considered unclaimed. Report shares using property type code “SC16” and the cash proceeds as credit balances with property type code “SC20.”

## **Identifying Unclaimed Distribution and All Other Checks**

Mutual fund companies may also hold unclaimed income or capital gains distributions for various reasons. Distribution proceeds may not have been reduced to check form. If a check was issued, it may have never been reported. Checks for closed accounts may be outstanding or RPO’d and should be reported as credit balances, using property type code “SC20.”

## **Registration Instructions for Mutual Funds**

Mutual fund shares must be transferred to an account in the name of the Michigan Department of Treasury at the same time the report and cash are mailed to UPD.

Mutual Funds are to be transferred to the Michigan Department of Treasury using tax ID number 38-6000134. **The account statement should be sent together with the holder report to:**

Michigan Department of Treasury  
Unclaimed Property Division  
P.O. Box 30756  
Lansing, MI 48909

### **Mailing the Remittance Report**

Mail report and a check payable to “State of Michigan” for the total amount of cash reported to the following address:

Michigan Department of Treasury  
Unclaimed Property Division  
P.O. Box 30756  
Lansing, MI 48909

### **Safe Deposit Boxes or Safekeeping Property**

Report all property that is unclaimed with an unknown or missing owner after five years. The five-year dormancy period begins on the date of the last contact with the property owner. For example, a safe deposit box is considered unclaimed and must be reported five years after there last rental payment that was not paid. If the owner has other active accounts at the institution, or there is other evidence of owner contact, do not report owner’s property.

Report safe deposit box contents, safekeeping, and other tangible property on CD Rom/Diskette or paper reporting forms. **Do not** combine these property types on the same reports or CD Rom/Diskettes with other types of intangible property, such as checking or savings accounts.

### **Safekeeping and Other Tangible Property**

Safekeeping items (not safe deposit contents) may be items being held for an owner whose whereabouts is unknown or for a deceased person’s heirs. Items may include personal property from a prisoner or personal effects from a hospital patient. Unclaimed property may also include items being held as collateral or as a convenience for a customer. It might include stock certificates, insurance policies, deeds, wills, or tangible items like a ring or silver tea set. **Do not** value safekeeping items.

Use one of these two property type codes for this kind of tangible property:

- SD02** Safekeeping
- SD03** Other tangible property

## Safe Deposit Box Contents

Many safe deposit boxes are empty when drilled. To avoid unnecessary work, holders are encouraged to drill the boxes before preparing their report. **Do not report empty boxes.** The property type code for safe deposit boxes is “SD01.”

## Preparing Inventory

Describe each safekeeping item and the contents of each safe deposit box using *Report of Unclaimed Property Safe Deposit Boxes* (Form 3167) or an authorized bank inventory form. Include two copies of the inventory form for each box (one copy in each box and one copy attached to the Holder Transmittal form with the detailed form or disk). Be certain to complete **all** entries on the form so contents can be recorded properly. UPD encourages holders to keep a copy of the inventory for their records in case the owner should contact them.

When the itemized description of contents is completed, list each item according to these categories (**do not** put in a paragraph format):

<u>Categories</u>	<u>Description</u>
Papers of Value	For life insurance policies, deeds, wills, funeral agreements, cemetery contracts, purchase agreements for land, powers of attorney, partnership agreements, checking or savings books with a balance left, uncashed checks, pawn shop tickets, etc.
Securities	Include descriptions of stocks, bonds, and other securities (e.g., the registered owner’s name, issuing company, and number of shares, etc.).
Cash	List coins by denomination. Normal looking currency should be converted to a bank cashier’s check payable to the State of Michigan and submitted with the other safe deposit box contents. Unusual or distinctive currency should be remitted with the rest of the box’s contents. Note on the inventory sheet that the cash has been converted to a check.
Jewelry	When describing jewelry or loose stones, describe the gems by color (e.g., gold tone ring with small blue stone).
Other Miscellaneous Items	Include other property not included in the above categories (e.g., baseball cards, gold/silver ingots, stamp collections, etc.).
Firearms and Controlled Substances	The local law enforcement agency must be contacted if firearms or controlled substances are found in safe deposit boxes. <b>Do not</b> send firearms to UPD. The local law enforcement agency should confiscate any controlled substances and any live ammunition. Make a note on the inventory sheet explaining the items were found but turned over to the local law enforcement agency.

Examples of property UPD **will** accept are:

- Money (coins, coin collections)
- Jewelry (costume or valuable)
- Antiques, rare items (in good condition)
- Silver and/or gold items (gold tooth crowns)
- Miscellaneous items (stamp and baseball collections, bicentennial commemorative medals)
- Tool sets or power tools in reasonable and working condition
- Electrical equipment (working units determined saleable)
- Papers, including but not limited to, military records, identification documents, Social Security cards, passports, original travelers checks or money orders, legal documents (e.g., birth, adoption, or death records; wills; court papers; mortgage papers; or abstracts).

As a safety precaution, any items of value that are covered with bodily fluids should be cleaned before packaging for shipping to Treasury.

Place each box or safekeeping item in an individual envelope. Label each envelope with the owner's name, box number (if a safe deposit box), and holder's name. Place the original **typed** inventory inside the corresponding envelope. Attach a copy of the inventory to the report.

Place the labeled envelopes in a shipping container. Label the outside of each container with the box numbers contained within (e.g., Bag 1 of 3; Boxes 210,515, 600; Bag 2 of 3; Box 615, 700, 725; Bag 3 of 3; Box 726, 890, 920; etc.).

Examples of property UPD **will not** accept are:

- Clothing
- Toiletries, personal care items, dentures (unless they contain gold fillings)
- Any food or alcoholic beverages
- Loose tools or keys
- Fireworks, explosives
- Weapons of any type, including guns or ammunition (turn these over to the local authorities)
- Controlled substances (turn these over to the local authorities)
- Used toy cap guns, balls, etc., that have a value less than cost of sale
- Drug paraphernalia (drugs, pipes, needles, etc.) (turn these over to the local authorities)
- Incidental items (paper clips, rubber bands, scrap paper, etc.).
- Purses or wallets (excluding important papers)
- Papers (e.g., credit cards, blank checks, personal correspondence, and pictures).

Items listed that will not be accepted, or that are believed worthless may be disposed of and so noted on the inventory sheet by the holder.

## **Guidelines for Preparing the Report for Safe Deposit Boxes or Safekeeping Property**

The separate inventory sheets discussed above are the only place safe deposit box contents and safekeeping property should be itemized. When the *Annual Return for Unclaimed Property* (Form 1223) is completed, include only the information requested on that form. Leave the amount field blank. The description field should state “safe deposit box.”

### **Report Requirements**

Your tangible unclaimed property report should include the following:

1. *Michigan Holder Transmittal* (Form 2011)
2. *Michigan Annual Report of Unclaimed Cash and Safe Deposit Boxes* (Form 1223) - to be used for reports of under ten boxes.

or

Diskette in National Association of Unclaimed Property Administrators (NAUPA) format - to be used for reports of ten boxes or more.

3. *Inventory Report of Unclaimed Property: Safe Deposit Box Contents* (Form 3167) or an authorized bank inventory form (one copy attached to transmittal form and one copy within each box).

Courier service is recommended when property has significant value (holders must contact UPD to confirm a delivery date or when sending a large shipment). Property with a smaller value should be sent via Federal Express or United Parcel Service (UPS). Do not send tangible property by U.S. Mail.

Following is the mailing address for Federal Express, UPS, or Armored Truck Delivers (**do not use this address for U.S. Mail deliveries**):

Michigan Department of Treasury  
Unclaimed Property Division  
7285 Parsons Drive  
Dimondale, MI 48821  
(517) 636-5320

Keep a copy of the inventory sheets and the report for business records.

## **Abandoned Vehicles Auction Proceeds**

Net proceeds from the sale of abandoned vehicles in accordance with Section 252g of the Michigan Vehicle Code (PA 300 of 1949) are to be escheated to UPD. The holder (towing company or police department) shall report and remit payment together with a copy of the completed Abandoned Vehicle Bill of Sale (Michigan Department of State form TR-52).

## **Gift Certificates/Gift Cards**

The Unclaimed Property Act was amended through Senate Bill 388 of 2008, in which a gift certificate or gift card that does not charge an inactivity fee and has an expiration date of five years or greater, is not subject to escheat. This legislation was passed together with changes to the Consumer Protection Act pertaining to gift certificates and gift cards (please refer to Public Acts 209, 210 and 211 of 2008 for further details).

# CHAPTER 3

## PREPARING YOUR REPORT

### Instructions for Reporting on Magnetic Media

Holder reports containing more than ten properties must be filed on a CD Rom/Diskette. Diskettes must be IBM PC/AT compatible 1.44 MB and 3 ½ ". Reports must be in the NAUPA standard electronic reporting file format.

The Holder Reporting System (HRS), available at [www.wagers.net/hrs](http://www.wagers.net/hrs), is a free software package for creating unclaimed property reports on electronic media for submission to the Michigan Department of Treasury. Holders using HRS need to update to the current version each year.

Holders wishing to use other software can obtain the NAUPA standard electronic file format at either [www.wagers.net](http://www.wagers.net) or [www.naupa.org](http://www.naupa.org).

Holder reports filed using HRS are automatically encrypted. UPD recommends holder reports filed using other software be encrypted.

### Instructions for Reporting Cash and Safe Deposit Boxes on Paper

#### If reporting more than ten accounts, submit report on CD Rom or diskette.

Holders reporting on paper forms must complete the *Annual Report of Unclaimed Cash and Safe Deposit Boxes* (Form 1223). **Do not** report securities on this form. For securities, use the *Annual Report of Unclaimed Securities* (Form 3164). All forms needed for paper reporting are provided with this manual. The forms may be photocopied.

- 1. Page Number.** Number all detail sheets 1 of 3, 2 of 3, 3 of 3, etc.
- 2. Holder Name.** Enter the name of the company or institution that is reporting. Do not use any punctuation (periods, commas, apostrophes, etc.). If the name of the company starts with the word "the," place it at the end (e.g., The Smith Company should read Smith Company The). Do not abbreviate the first word of the company name (e.g., American vs. Amer., National vs. Natl). Do not use numbers in the Holder Name field. The word "First" should never be abbreviated as "1<sup>st</sup>." Exceptions can be made when a number is a part of a company logo or registered trademark (e.g., A1 Inc. or 84 Lumber). Company names containing initials should have spaces between the initials (e.g., J J Reynolds vs. JJ Reynolds).
- 3. Holder Branch Number.** If any other departments or branches of the organization file unclaimed property reports using the same tax ID number entered on your report, contact UPD to receive a branch number. The branch number will be used to direct questions to the correct reporting department/branch. If your business files only one report, enter "00." See Chapter 1 "General Information" for UPDs telephone number.

4. **Holder Federal Employer Identification Number.** Enter the nine-digit FEIN assigned by the federal government. If the FEIN is not known, contact the company's payroll, accounting, or tax department.
5. **Holder Report Year.** Enter the four-digit year in which the property is being reported. Michigan's report period ends June 30, 2008, so the holder report year would be 2008.
6. **Holder Report Number.** If this is the first report filed by the holder for the report year, enter "01." If multiple reports are filed under the same FEIN and extension during the year, increase this number by one for each additional report.

**7. Properties:**

- A. **Property Description.** Describe the type of property being reported (e.g., checking or savings account, IRS, etc.).
- B. **Property Type Code.** This field is **required**. The property type code distinguishes one property type from another. Select four-character code that best describes the original property of the missing owner from Appendix A. For example, a closed savings account converted to check form would still be reported as a savings account ("AC02").

**Note:** Enter a property type code even if reporting in aggregate or for unknown owners. See Chapter 2 "Reporting Specific Property for Aggregate and Unknown Owners."

- C. **Owner's Name.** Enter the owner's last name, first name, and middle initial or the company name if it is a business. If the additional owner is a business, enter the business name exactly as adopted except when the first word is "The." If the name of the company starts with the word "the," place it at the end (e.g., The Smith Company should read Smith Company The). Do not abbreviate the first word of the company name (e.g., American vs. Amer., National vs. Natl). Do not use numbers in the Holder Name field. The word "First" should never be abbreviated as "1<sup>st</sup>." Exceptions can be made when a number is part of a company logo or registered trademark, such as A1 Inc. or 84-Lumber. Company names containing initials should be with spaces between them (e.g., J J Reynolds vs JJ Reynolds). If the owner of the property is listed as a state agency in Michigan (e.g., Department of Transportation), enter the owner name as "State of Michigan," then enter the agency (e.g., Transportation, Attorney General, etc.).

Enter the owner's suffix or title last (e.g., Jr., Sr., III, Dr., Rev.). See Appendix F for suggested owner title abbreviation. This field may be left blank.

Enter the owner's last known address. The last known address must be listed even if the mail has been returned by the post office. When establishing whether the claimant is the rightful owner, confirmation of this address is very important. If the owner's street address is unknown, leave blank. **Do not** fill with "unknown" or "address unknown."

Enter the city of the last known address of the owner. If the owner's last known address is not in the United States, list the province, etc. If the owner's city is unknown, leave blank. **Do not** fill with "unknown" or "city unknown."

Enter the standard two-character postal abbreviation of the owner's state of last known address. See Appendix B for state abbreviations.

Enter the owner's five- or nine-digit zip code. If only a five-digit zip code, leave the last four blank.

If a property is owned by more than one person, see Additional Owners below.

- D. Owner Type. Enter "P" to denote primary owner information.
- E. Additional Owners. If the property has more than one owner, enter the second owner's name in item 7C below the primary owner's name. Enter the last name, first name, middle initial of the owner, and the last known address, relationship code, and SSN or FEIN. Enter "cont't" in the Amount field. Continue until all owners for this property are listed.

**Note:** Corresponding relationship codes must be entered for each additional owner in item 7D. The owner type code indicates who must claim the property. See Appendix C for relationship codes (e.g., for a life insurance policy the policy holder would be the primary owner and the beneficiary of the policy would be the additional owner with a relationship code of "BF.")

- F. Owner Tax Identification Number. Enter the owner's SSN or the company's FEIN. When establishing ownership, the SSN/FEIN is very important. This number will not be released as public information but will be used for identification.
- G. Deductions. This applies to safekeeping and safe deposit box contents only. Report safekeeping fees and liens. Enter the type of fee and/or lien and the amount. This amount is **not** deducted from the amount remitted.

DR = drilling fees and unpaid rent

- H. Date of Last Activity. Enter the date on which the last deposit/withdrawal occurred, the date the mail was returned, or the date on which the property became payable, redeemable, or returnable (e.g., issue date of a check).

Most holders will complete the Date of Last Activity field (YYYYMMDD). If months or days are unknown, use the first month or first day (e.g., 20080601 or 20080101).

If reporting property with periodic payments, such as oil and gas royalties or commission checks, enter the ending date through which the amounts were payable. Total all amounts due the owner during the applicable time period and list the payments as one amount.

- I. Identifying Number. List any information that will help identify the owner of the property. Enter identifying numbers, such as check number, account number, policy number or cashier's number.
- J. Quantity. Enter the total number of items being reported for this owner. If reporting aggregates under \$50, refer to Chapter 1 "Reporting Information and Requirements," Aggregate Reporting.
- K. Interest Bearing. Enter the applicable interest rate at the time the property is reported. Enter as a percentage (e.g., 3%).
- L. Amount Remitted. Enter the cash amount remitted on behalf of the missing owner. List owners who are owed more than one amount of the same property type only once on the report, with all the amounts combined into one total. If reporting property in aggregate or unknown owners, total each property type and enter that amount.

Enter the total amount remitted for this page only in the bottom-right corner.

- 8. **Totals.** Complete this item **only** on the last page of the report. Enter the total remitted for this report.

Complete the *Michigan Holder Transmittal* (Form 2011). Prepare a check payable to "State of Michigan" for the total amount due. Mail report and remittance on or before November 1.

**Keep a copy of this report for company records.**

## **Instructions for Reporting Securities on Paper**

**If reporting more than ten accounts, submit report on CD Rom or Diskette.**

If reporting securities-related property, review the following instructions for a better understanding of the information that must be included with the property report. Use only the *Annual Report of Unclaimed Securities* (Form 3164) to report securities-related property. See Chapter 2 "Reporting Specific Property" for registration and delivery requirements for securities and mutual funds.

- 1. **Page Number.** Number all detail sheets 1 of 3, 2 of 3, 3 of 3, etc.

2. **Holder Name.** Enter the name of the company or institution that is reporting. Do not use any punctuation (periods, commas, apostrophes, etc.). If the name of the company starts with the word “the,” place it at the end (e.g., The Smith company should read Smith Company The). Do not abbreviate the first word of the company name (e.g., American vs. Amer., National vs. Natl). Do not use numbers in the Holder Name field. The word “First” should never be abbreviated as “1<sup>st</sup>.” Exceptions can be made when a number is a part of the company logo or registered trademark (e.g., A1 Inc. or 84 Lumber). Company names containing initials should have spaces between the initials (e.g., J J Reynolds vs. JJ Reynolds). If the owner of the property is listed as a state agency in Michigan (e.g., Department of Transportation) enter the owner name as “State of Michigan,” then enter the agency (e.g., Transportation, Attorney General, etc.).
3. **Holder Branch Number.** If any other departments or branches of the organization file unclaimed property reports using the same FEIN entered on the report, contact UPD to receive a branch number. The branch number will be used to direct questions to the correct reporting department/branch. If the business files only one report, enter “00.” See Chapter 1 “General Information” for UPD’s telephone number.
4. **Holder Federal Employer Identification Number.** Enter the nine-digit FEIN assigned by the federal government. If not familiar with the holder’s ID number, contact the company’s payroll, accounting, or tax department.
5. **Holder Report Year.** Enter the four digits of the year in which the property is being reported. For example, Michigan’s report period ends June 30, 2008, so the holder report year would be 2008.
6. **Holder Report Number.** If this is the first report filed by the holder for the report year, enter “01.” If multiple reports are filed under the same FEIN and extension during the year, increase this number by one for each additional report.
7. **Properties.** When reporting stock where the owner has different issues and these issues will be due the owner, there should be an owner record for each issue that will be due that owner. For example, Paul Smith had an account with XYZ Broker. In the account Mr. Smith owned 12 shares of ABC Office Supply Common, four shares of ABC Office Supply \$2.75 preferred and 20 shares of After School Snack Company Common. There should be three property records for Mr. Smith.
  - A. **Issue Name.** Enter the name of the security issue, which is due the owner. **Do not** enter more than one issue per owner record (e.g., brokers must provide one property record for each issue held in an owner’s account). If this is redemption, this field should contain the name of successor. Make sure to indicate the type of stock if it is other than common.
  - B. **Property Type Code.** This field is **required**. The property type code distinguishes one property type from another. Select the four-character code that best describes the original property of the missing owner from Appendix A. See Chapter 2 “Securities and Securities-Related Cash” for more information.

- C. Owner's Name. Enter the owner's last name, first name, and middle initial or the company name if it is a business. If the additional owner is a business, enter the business name exactly as adopted except when the first word is "The." If the name of the company starts with the word "the," place it at the end (e.g., The Smith Company should read Smith Company The). Do not abbreviate the first word of the company name (e.g., American vs. Amer., National vs. Natl). Do not use numbers in the Holder Name field. The word "First" should never be abbreviated as "1<sup>st</sup>." Exceptions can be made when a number is part of a company logo or registered trademark, such as A1 Inc. or 84 Lumber. Company names containing initials should be with spaces between them (e.g., J J Reynolds vs. JJ Reynolds). If the owner of the property is listed as a state agency in Michigan (e.g., Department of Transportation), enter the owner name as "State of Michigan," then enter the agency (e.g., Transportation, Attorney General, etc.).

Enter the owner's suffix or title last (e.g., Jr., Sr., III, Dr., Rev.). See Appendix F for suggested owner title abbreviation. This field may be left blank.

Enter the owner's last known address. The last known address must be listed even if the mail has been returned by the post office. When establishing whether the claimant is the rightful owner, confirmation of this address is very important. If the owner's street address is unknown, leave blank. **Do not** fill with "unknown" or "address unknown."

## Instructions for Completing the Holder Transmittal

The *Michigan Holder Transmittal* (Form 2011) must be filed annually by all holders remitting property. Attach this form to the CD Rom/Diskette or paper reports (*Annual Report of Unclaimed Cash and Safe Deposit Boxes* (Form 1223) or *Annual Report of Unclaimed Securities* (Form 3164)). Also attach payment for the property which is identified as unclaimed. The transmittal provides information to UPD about the company or institution and will serve as a guideline for the report.

Complete the forms using the following instructions.

### Transmittal

- 1. Holder Report Year.** Enter the four-digit year in which the property is being reported. For example, Michigan's report period ends June 30, 2008, so the holder report year would be 2008.

- 3. Holder Federal Employer Identification Number.** Enter the nine-digit FEIN assigned by the federal government. If not familiar with the FEIN, contact the organization's payroll, accounting, or tax department.
- 4. Holder Branch Number.** If any other departments or branches of the organization file unclaimed property reports using the same FEIN entered on the report, contact UPD to receive a branch number. See Chapter 1 "General Information" for UPD's telephone number.
- 5. Holder Address.** Enter the mailing address.
