MDOT / BRIDGES AND STRUCTURES
MiBRIDGE
The MiBRIDGE application allows Bridge Owners, Engineers, Inspectors, Consultants, and Managers to view and enter information for bridge and culvert assets across the State of Michigan.
MiBRIDGE has the ability to view assets on maps based on selected criteria.
MiBRIDGE can retrieve structure information and standardized reports, including network summaries, bridge condition reports, bridge inspection reports, inspections schedules, scour critical structures, load rating needs, work recommendations, and custom reports.
Access MILogin at:
State employees: https://milogintest.michigan.gov
Local agencies, consultants, and all other users: https://milogintp.michigan.gov
Local agency bridge owners should select this link
