

## MICHIGAN CAMPAIGN FINANCE ACT

### APPROVED VENDORS FOR ELECTRONIC FILING OF CAMPAIGN STATEMENTS

The chart below details companies that have been approved for electronic filing submission of original and amended campaign statements by the Michigan Department of State's, Bureau of Elections. It should be noted that the approval is not an approval of the software provided by the companies. It is an approval of the data files that are created from the software and that they meet the specification requirements of the Bureau of Elections. This approval in no way implies that the software is compliant with the Campaign Finance Act requirements in and of themselves.

Vendors may also provide software that produces paper reports for local committees. Please contact the vendor for information concerning any additional services they may provide.
