JOB SPECIFICATION**

ARCHITECT MANAGER LICENSED

JOB DESCRIPTION

Employees in this job serve as managers for subordinate staff. The employees participate in, oversee, and direct a variety of architectural activities designed to facilitate a departmental design or architectural plan review program. Work is performed through the application of a body of knowledge related to professional architectural methods, practices, policies, and procedures, regulations; and materials and equipment of the architect service, and supervisory techniques, personnel policies, and procedures.

There are three classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Architect Manager Licensed-2

Architect Manager Licensed 13

The employee functions as a first-line professional manager of professional positions in a standard work area, a first-line professional manager of a professional position in a complex work area, a first-line professional manager of nonprofessional positions in a complex work area, a first-line manager of a professional position in a standard work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a standard work area receiving executive direction.

Position Code Title – Architect Manager Licensed-3

Architect Manager Licensed 14

The employee functions as a first-line professional manager of professional positions in a complex work area, a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title – Architect Manager Licensed-4

Architect Manager Licensed 15

The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
