Approval of the assignment of this lease does not include approval of the transfer of separate written permission(s) required either by law or by the lease for surface operations. Assignee shall secure from the appropriate agency separate written approval for the transfer of such permission(s). Written permissions include, but are not limited to, easements and surface use permits. Approval of an assignment by the State should not be construed as a representation that the Assignor owned any of the interests assigned.

APPROVED: , 20__
