<b>Block Group Maps</b>				
<b>5050.XXX.2000</b>	<b>2000 Census County Block Groups Maps</b>	<b>Block Groups are an aggregation of census blocks within a tract or block numbering area (BNA) sharing the same first digit in their three-digit identifying numbers. Block group maps display block group, tract, city, and township boundaries. These maps are an excellent tool for conducting neighborhood studies, market research studies, and visualizing the lowest level of geography for which social-economic data from the census is tabulated. Maps available Black -n- White or Color, E-size Maps.</b>	<b>Varies by County</b>
