Information provided is accurate to the best of our knowledge and is subject to change on a regular basis, without notice. While CGI makes every effort to provide useful and accurate information, we do not guarantee that the data is error-free, complete, factual, or timely. Information is provided on an "as is" and an "as available" basis. The State of Michigan disclaims any liability, loss, injury, or damage incurred as a consequence, directly or indirectly, resulting from the use and application of any of the contents of this map.

Please feel free to contact CGI with questions regarding the boundary mapping process. However, it should be known that school districts and ISDs are the official authorities in determining school district boundaries. If you believe that the boundaries on this map are incorrect, please contact the affected school districts and ISD(s) for clarification and possible resolution. CGI will welcome the opportunity to incorporate authorized boundary changes into our map information when resolved.
