Dear Senator Bennett:

As required by Section 329 of P.A. 122 of 1999, the Department of Consumer & Industry Services is reporting that we had no costs related to updating and maintaining the files and lists of the Child Care Clearinghouse. The Child Care Clearinghouse has not been operational for the past several years. However, the Michigan Economic Development Corporation does continue to have information on child care options available for interested businesses.

If you have any questions regarding this information, please feel free to contact me at 373-3892.

Sincerely,
