

SURVEY ON THE QUALITY OF THE CIVIL SERVICE APPLICANT POOL

The Civil Service Commission is conducting a survey to determine the quality of the candidates provided from our applicant pools. You can help by giving us your opinion about the candidates that you considered for your recent vacancy. This form should be completed by the hiring manager and sent to the Office of Classifications, Selections, and Compensation immediately after an appointment. For purposes of this survey, **applicants** are the individuals in the applicant pool, and **candidates** are applicants who were considered further (e.g., interviewed) in the selection process beyond the résumé/application review.
