

## *Character Biopoem*

This is a formula poem to use to create your poems. Reflect on the qualities and desires of the character you choose to write about before you begin. Use the character webs as a prewriting activity to help. Then complete your poem.

- Line 1        First Name
- Line 2        Three words that describe the person...
- Line 3        Three things that the person has a passion for...
- Line 4        Four things that the person needs...
- Line 5        Four things that the person believes...
- Line 6        Three things that the person would like to see...
- Line 7        Two things that the person has accomplished...
- Line 8        Who loves...
- Line 9        Last name

The layout of the poem should be:

First Name

Word        Word        Word

Who has a passion for...

He/She needs...

He/She believes...

He/She would like to see

He/She has accomplished

Who loves...

Last Name
