

Michigan's State Planning Project for the Uninsured

CHARGES FROM HRSA GRANT RELATIVE TO:

WEBSITE

Being Developed Immediately

- Will support the dissemination of the plan for expanding health insurance to all Michigianians, along with other reports and documents that are generated.
- Will allow workgroup and Advisory Council members to access documents and minutes, check meetings schedules, get timely updates, and provide instantaneous feedback and dialogue on issues with other members.
- Public access will allow the public to follow the progress of the uninsured project, review findings, pose questions and provide feedback as it relates to the work being done.
