*"Providing leadership and setting the pace for customer service, resource optimization,  
and the innovative use of information and technology"*

**Director's Office**

The Director's Office provides management oversight, strategic planning, public information, legislative affairs, and budget development to the department.

- Kenneth D. Theis, Director and CIO; Susan Wey, Assistant: 517-241-5150
- Phyllis Mellon, Senior Chief Deputy Director; Connie Shutes, Assistant: 517-373-1004
- David Newman, Government Affairs: 517-241-7090
- Patty Russ, Deputy Director's Senior Executive Assistant: 517-373-6741
- Dorothy Smith, Information Security Officer: 517-241-0527
- Kurt Weiss, Public Information Officer: 517-373-1004

**Financial Services**

Financial Services offers a broad range of services to DTMB operating units, including accounting services, departmental procurement and accounts payable processing, financial analysis, business planning, management level reporting, performance measurement and management, automated billings, data collection and interfaces, and contract/lease management. Financial Services also provides accounting services to the State Sponsored Group Insurance Funds (Civil Service commission). In addition, Financial Services serves as audit liaison with the Auditor General's office.

- Mike Gilliland, Director; Geneva Hawthorne, Assistant: 517-335-3746
- Ron Foss, Fiscal Management Division: 517-241-2155
- Natalie Spaniolo, Operations Division: 517-241-4195

**Administrative Services**

Administrative Services functions as the department's administrative arm. It oversees DTMB's ICT financial services functions, which include budget and accounting; human resources activities; administrative and technical policy services; human capital management programs; and all other agency administrative functions. The office partners with the Civil Service Commission and the State Budget Office to provide these services.

- Tina Richardson, Director; Tonyia Gonzalez, Assistant: 517-241-9277
- Leo LaPorte, Financial Services: 517-241-2000
- Fran Wresinski, Enterprise Services: 517-241-3486
- Sue Horvath, Budget Officer: 517-373-2614
- Ann Kroneman, Human Resources Director; Billie Isham, Assistant: 517-373-1000
- Deb Wieber, Human Resources Director; Jackie Black, Assistant: 517-241-6384

**State Building Authority**

The State Building Authority is the state's primary vehicle for financing major capital outlay projects, including colleges and universities. In addition, the SBA houses the Risk Management Section, which provides state agencies with commercial insurance (with the exception of employee benefit related insurance) and administers the Vehicle Self-Insurance fund.

- Debbie Roberts, Director; Debbie Sanchez, Assistant: 517-373-3806

### **Business Services Administration**

Business Services Administration (BSA) provides a diverse range of functions to State agencies and departments. BSA is divided into two distinct groups: Purchasing Operations and Agency Services.

- Sergio Paneque, Chief Procurement Officer and Senior Deputy Director, 517-373-0300; Diane Pittman, Assistant: 517-373-0300

**Purchasing Operations** buys goods and services on behalf of State agencies and departments. Governed by the motto "Integrity First, Quality Service Daily, Responsible Spending Always," the various teams and divisions within Purchasing Operations focus on competitively bidding solicitations to provide the best value to Michigan taxpayers. Training is offered for Michigan businesses that want to become State contractors. Additional support is provided to the State Administrative Board and local governments, school districts, colleges and universities, and non-profit hospitals.

- Sergio Paneque, Purchasing Operations: 517-373-0300
- Melissa Castro, Acting Director, Services Division: 517-335-1646
- Tony DesChenes, Director, Commodities Division: 517-373-9417
- Greg Faremouth, Director, Information Technology Division: 517-241-1646

**Agency Services (Business Services)** supplies State agencies, colleges and universities with printing services, mainframe printing, mailing and transportation services, warehousing of goods and processing of state and federal surplus. Vehicle and Travel Services manages fleet operations, including vehicle acquisition, maintenance, and disposal and fuel management services. The Travel Services unit provides cost effective, timely and safe travel accommodations for state agency business travelers.

- Joyce Van Coevering, Director, Agency Services: 517-322-5005
- Joe Chin, Director, Mail & Delivery Services: 517-322-5003
- Kristi Thompson, Acting Director, Print, Warehousing & Surplus Services: 517-322-6764
- Joyce Van Coevering, Fleet Operations: 517-322-5005

### **Facilities Administration**

Facilities Administration manages and maintains office buildings throughout the State of Michigan, providing parking and security services for these DTMB managed facilities. Facilities Administration also provides facility design and construction management services for state agencies and colleges and universities implementing infrastructure improvements and new construction projects. Facilities Administration strategically manages the state's portfolio of owned and leased space, providing agencies with services to meet changing space requirements, as well as handling land and surplus property dispositions.

- George Hakim, Senior Deputy Director; Karen Stone, Assistant: 517-373-3670
- Robert Hall, Director, Design and Construction: 517-373-6311
- Keith Paasch, Director, Building Operations: 517-373-0185
- Terri Fitzpatrick, Director, Real Estate: 517-335-6877

- Jason Nairn, Manager, Security & Emergency Management: 517-241-2188

### **Office of Retirement Services**

Retirement Services administers retirement programs for Michigan's state employees, public school employees, judges, and state police.

- Phil Stoddard, Senior Deputy Director, Terry Rideout, Assistant: 517-322-6235
- Laurie Hill, Assistant Director: 517-322-6235
- Tim McCormick, Director, Customer Service Division: 517-322-6235
- Anthony Estell, Director, Organizational Support Division: 517-322-6235

### **Agency Services (Technology)**

**Agency Services (Technology)** is the liaison between the Department of Technology, Management and Budget (DTMB) and the individual Executive Branch agencies. This team is responsible for maintaining the business relationships between DTMB and its agency customers. The services include managing agency IT plans and ensuring the timely delivery of agreed upon IT services. They also work across all agencies in collaboration with the other DTMB teams to identify common technology needs, enabling DTMB to leverage the State's IT resources, and thereby create cost savings and also deliver more timely services. Additionally, the Agency Services (Technology) team oversees the operational management of 1000+ agency IT applications.

- Lynn Draschil, Deputy Director; Ruth Nixon, Assistant: 517-373-6760
- Diana Quintero, Enterprise Portfolio Management Office: 517-335-5957
- Kirt Berwald, Information Officer Serving: DeLEG, MDCR, DOE/CEPI, Executive Office
- Sue Doby, Information Officer Serving: DCH, MSP, DMVA
- Jim Hogan, Information Officer Serving: DHS, CSES, eMichigan
- Linda Pung, Information Officer Serving: DNRE, Treasury Lottery, Gaming, MDA, HAL
- Mike Scieszka, Information Officer Serving: MDOS, MDOC, AG
- Eric Swanson, Information Officer Serving: Center for Shared Solutions and Technology Partnerships
- Scott Thompson, Information Officer Serving: MDOT, DTMB, CS, Budget

### **Infrastructure Services**

Michigan's IT Infrastructure Services is comprised of five teams: Telecommunications, Data Center Operations, Office Automation Services, Field Services and Technical Services. These teams are the "face" of IT services in Michigan. They respond to an average of 29,000 calls each and every month from the state's 55,000 employees provide connectivity to over 1200 locations throughout the state. Every state function, from prison operations to park reservations, is supported and enabled by these five groups.

- Dan Lohrmann, Director; Vera Smith, Assistant: 517-241-7681
- Aparna Agrawal, Technical Services
- Mike Binkley, Office Automation Services
- Dan Conlin, Field Services Division
- Scot Ellsworth, Enterprise Architecture
- Jack Harris, Telecommunications
- Vern Klassen, Project Management Office
- Carol Sherman, Data Center Operations

## **Michigan Public Safety Communications System**

MPSCS is an 800 MHz radio network that utilizes state-of-the-art trunked technology to provide statewide interoperability in digital clarity to its members throughout Michigan. It is one of the most state-of-the-art public safety radio systems in the country, serving the needs of federal, state, and local first responders. The system plays a critical role in how Michigan responds to emergencies and to everyday public safety needs of Michigan citizens, hosting over 1,400 public safety agencies across the state.

- Brad Stoddard, Director; Sue Mote, Assistant: 517-336-6262

## **Strategic Policy**

Create and manage a technology-focused roadmap to deliver quality services and solutions that are valued by our clients and partners.

- Carol Steffanni, Director; Patty Rokely, Assistant: 517-335-0717

## **Office of Enterprise Development**

Office of Enterprise Development is tasked with strategically advancing DTMB's business, administrative, information and technology programs and services. OED is comprised of two functional areas: Strategic Planning, Research and Development and Communications and Outreach Services.

- Amy Baumer, Director; Tammy Stephens, Assistant; 517-335-4060
- Susan Nordyke, Director of New Economy Partnerships; 517-373-9784

## **Office of Enterprise Security**

The Office of Enterprise Security is charged with managing IT security services to the State's information technology resources.

- Trent Carpenter, Director of Enterprise Security; Charlotte Allen, Assistant: 517-241-2013

Revised 8/09/2010
